GLENDALE

WATER MATTERS

Field Trip Information

With over 400 species of low-water-use plants, the Glendale Xeriscape Demonstration Garden is a unique setting for students and teachers to discover more about the diversity of plant life in the Sonoran Desert. Field trip activities are correlated to the Arizona Academic Standards.

Location: The Glendale Xeriscape Demonstration Garden is located on the grounds of the Glendale Main Library (5959 W. Brown Street, Glendale, AZ 85302). Youth participants are to be dropped off and picked up at the driveway that is directly north of the library.

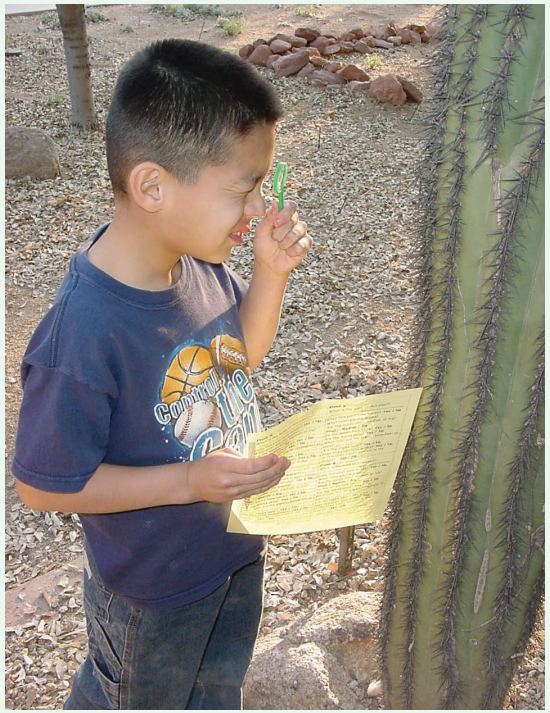
Students learn about desert ecology through hands-on activities

Cactus Garden

Reservations: A 30-day minimum advance notice is required for field trips. To request a field trip, please contact Anne Stahley at astahley@glendaleaz.com or mail / fax the attached Field Trip Request Form.

Supervision: There must be a minimum of one adult chaperone for every seven youth participants. It is recommended that adult chaperones are assigned to a group of youth participants prior to their arrival at the Glendale Xeriscape Demonstration Garden. Adult chaperones must stay with their group at all times, no exceptions.

Dress: It is recommended that all participants dress appropriately for outdoor weather. All participants must wear close-toed shoes, no sandals or flip flops are allowed. Hats, sunglasses and sunscreen are also recommended.



A student discovers how cacti adapt to the desert
