
Important Traffic Information for Pro Bowl, Super Bowl Games in Glendale. Thousands of football fans and visitors will travel to Glendale on game days for both 2015 Pro Bowl and Super Bowl XLIX at the University of Phoenix Stadium, and in and around the Sports and Entertainment District in Glendale. The City of Glendale does not control the parking on game day, but in an effort to create the best possible experience for visitors, would like to share the details of our partners' parking and traffic management plans. Visitors are highly encouraged to plan ahead, know where you are going to park, and know how to navigate through the area.

Parking:

Fans and visitors going to the area must pay for parking. Parking passes for NFL controlled lots for either event can be purchased in advance online by visiting the NFL's Super Bowl XLIX Transportation Center website at https://superbowl.clickandpark.com/ and selecting the appropriate event.

On game days, visitors can pay for parking at the lots controlled by the Westgate Entertainment District and Tanger Outlet Mall. For details regarding Westgate parking options, lot maps, and costs, visit http://www.westgateaz.com/. Tanger will also be selling parking on game day and information will be posted to their website in the coming days, visit http://www.tangeroutlet.com/glendale.

Valley Metro will offer extended service hours on routes to and from Glendale's Sports & Entertainment District on both game days (Jan. 25 and Feb. 1). For additional information, visit Valley Metro's website.

Tailgating:

For the 2015 Pro Bowl, tailgating is only allowed on certain NFL controlled parking lots; refer to the 2015 Pro Bowl Pre-Game Tailgating document or https://superbowl.clickandpark.com/probowl for details.

Tailgating is NOT permitted on Westgate or Tanger parking lots during the 2015 Pro Bowl.

Tailgating is NOT permitted on ANY properties for Super Bowl XLIX.

Taxi Service:

Taxis will be the only option for drop-off near the stadium. Taxis should enter the area from Glendale Avenue, south on 95th Avenue where they will be allowed to drop-off passengers and will be queued for pick-ups.

There is NO drop-off or pick-up location for shuttle operators or private driver services near the stadium. All vehicles with passengers (except for licensed taxis) entering the area MUST either have a parking pass or be prepared to pay for parking in one of the cash lots in order to access the area.

Anyone attempting to drop-off near the stadium or accessing NFL controlled lots for drop-off without a pass will be redirected for drop-off at the Park and Ride location at 99th Avenue and Glendale Avenue; there is no shuttle from this lot. After the conclusion of the game, the only vehicles that will be permitted to queue in the area are licensed taxis. Shuttles and private driver services will need to make arrangements to pick up their fares at the Park and Ride location at 99th Avenue and Glendale Avenue.

Other traffic tips drivers should know?

- Arrive early and follow the directions on the back of your parking pass, which should hang from your rear view mirror.
- Do not use your GPS for parking routes.
- Follow all traffic signs. In some cases there are multiple turn lanes (dual rights or dual lefts) that will allow traffic to load and unload parking lots faster.
- Vehicles may be subject to search. Please plan accordingly.
- For up to date traffic information, visit http://www.az511.com/adot/files/ or dial 511.
- Glendale provides real-time traffic information via Twitter – follow @GlendaleAZPD
