Re: The Industrial Development Authority of the City of Glendale, Arizona /
Midwestern University Foundation Student Loan Program Revenue Bonds

Dear Ms. Hannah:

As counsel to and on behalf of The Industrial Development Authority of the City of Glendale, Arizona, I enclose three copies of a form of Certificate of Clerk of the City of Glendale to which I request that you attach as Exhibit A, a copy of Resolution No. 4905 New Series adopted by the Glendale City Council on December 18, 2014. You will already find attached as Exhibit B, a copy of Resolution No. 2093 New Series that was adopted August 24, 1982.

This form of Certificate is substantially identical to the forms of Certificates the Glendale IDA has requested you execute in the past. If you find the form of Certificate to be in order, please sign, date, and return to me, two copies of the Certificate for which a self-addressed, stamped envelope is enclosed. Please retain one copy of the Certificate for your records.

Additionally, I enclose a form of Certificate of Posting, with regard to the Notice and Agenda, for the Glendale IDA Board meeting that was held on December 10, 2014. The Bond Counsel for this transaction is requesting that this Certificate be executed by the appropriate individual in your office that handles the postings. The Notice and Agenda for the meeting was prepared under date of November 17, 2014, and delivered to Jane Moreno in the Economic Development Department, who then forwarded this to the appropriate person in your office for posting both online and at the regular posting place.

I would appreciate it if you would have two copies of the Certificate of Posting completed with the insertion of the date of posting in line 2, date the instrument, and have it signed and return to me in the self-addressed, stamped envelope.

If or to the extent you have any questions, certainly give me a call.

Yours very truly,

William F. Wilder
