Mr. Brian Friedman
Director of Economic Development, Citywide Efforts
City of Glendale
5850 W. Glendale Ave, Suite 217
Glendale, AZ 85301

Dear Mr. Friedman,

Jivemind & Inter Technologies Corporation are proud to provide this letter as our formal intent to renew our leasing Agreement of the 5754 W Glenn Dr building with the City of Glendale.

With growing monthly revenues, 47 currently completed events, numerous music education programs and events in development, burgeoning alliances with Glendale educational institutions including Centennial High School and Glendale Community College (Landmark Elementary, Glendale HS, and Apollo HS have been formally contacted and are still in development), a growing customer base that includes Bechtel Corporation, and numerous case studies where Jivemind has transformed its members' musical dreams into realities, we have just begun to scratch the surface of Jivemind's impact in the Downtown Glendale and West Valley communities... in only 3 months of operation!

Though our opening took longer than anticipated, we have hit the ground running and are building momentum exponentially. We are excited to continue on into a prosperous second lease term that will deliver immense value to the Downtown Glendale area and underscore the value of our relationship with the City of Glendale. Thank you again for your belief and support in Jivemind's vision; our success is your success.

Sincerely yours,

Jeffrey Rose
