- C. RETENTION AND EXPANSION POLICY:**
1. GPEC's primary role is developing the Greater Phoenix region's market intelligence strategy for high wage, base industry clusters in coordination with representatives of GPEC member communities.
 2. Retention and expansion of existing businesses within GPEC member communities is primarily a local issue.
 3. GPEC will support its member communities' efforts to retain and expand existing businesses through coordinating regional support and providing research on key retention and expansion projects.
 4. GPEC will advise its member communities when an existing company contacts GPEC regarding a retention or expansion issue, subject to any legal or contractual non-disclosure obligations.
- D. ACTION PLAN AND BUDGET:** In accordance with the Mission, Goals and Retention Policy set forth above and subject to the availability of adequate funding, GPEC shall implement the Action Plan and Budget adopted by GPEC's Board of Directors, a copy of which has been delivered to the City, receipt of which is hereby acknowledged. A copy of the Action Plan is attached hereto as **Exhibit A** ("GPEC Action Plan"). The City shall be informed of any changes in the adopted Action Plan which will materially affect or alter the priorities established therein. Such notification will be in writing and will be made prior to implementation of such changes. Notwithstanding the

foregoing, the City acknowledges and agrees that GPEC may, in its reasonable judgment in accordance with its own practices and procedures, substitute, change, reschedule, cancel or defer certain events or activities described in the Action Plan as required by a result of changing market conditions, funding availability, unforeseen expenses or other circumstances beyond GPEC's reasonable control. GPEC shall solicit the input of the City on the formulation of future marketing strategies and advertisements. The Action Plan will be revised to reflect any agreed upon changes to the Action Plan.

E. PERFORMANCE TARGETS:

1. Specific performance targets, established by GPEC's Executive Committee and Board of Directors, are attached hereto as **Exhibit B** ("GPEC Performance Measures") and shall be used to evaluate and report progress on GPEC's implementation of the Action Plan. In the event of changing market conditions, funding availability, unforeseen expenses or other circumstances beyond GPEC's reasonable control, these performance targets may be revised with the City's prior written approval, or with the prior written approval of a majority of the designated members of GPEC's Economic Development Directors Team ("EDDT"). GPEC will provide monthly reports to the City discussing in detail its progress in implementing the Action Plan as well as reporting the numerical results for each performance measurement set forth in Exhibit B. GPEC shall provide a copy of its annual external audit for the preceding fiscal year to the City no later than December 31, 2015.
2. In the case of any benchmark which is not met, GPEC will meet with the EDDT to provide an explanation of the relevant factors and circumstances and discuss the approach to be taken in order to achieve the target(s). Failure to meet a performance target will not, by itself, constitute an event of default hereunder unless GPEC (i) fails to inform the City of such event or (ii) fails to meet with EDDT to present a plan for improving its performance during the balance of the term of the Agreement will constitute an event of default for which the City may terminate this Agreement pursuant to paragraph IV.J. below.

1. 2. Funding of this Agreement shall be subject to the annual appropriations of funds for this activity by the City Council pursuant to the required budget process of the City.
3. Nothing herein shall preclude the City from contracting separately with GPEC for services to be provided in addition to those to be provided hereunder, upon terms and conditions to be negotiated by the City and GPEC.
4. GPEC shall submit invoices for payment on a quarterly basis. The foregoing notwithstanding, if GPEC has not provided the City with the audit required pursuant to paragraph I.E. above no later than December 31, 2015, no payments shall be made hereunder until the City receives the audit report. Invoices and monthly activity reports, substantially in the form of **Exhibit D** ("Reporting Mechanism for Contract Fulfillment") attached hereto, are to be submitted to the address listed under paragraph IV.P.

C. COOPERATION:

1. The parties acknowledge that GPEC is a cooperative organization effort among GPEC and its member communities. - A. COVENANT AGAINST CONTINGENT FEES:** GPEC warrants that no person or selling agent has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. For a breach or violation of this warranty, the City shall have the right to terminate this Agreement without liability or, in its discretion, to deduct the commission, brokerage or contingent fee from its payment to GPEC.
- B. 2. Any party entitled to indemnity shall notify GPEC in writing of the existence of any claim, demand or other matter to which GPEC's indemnification obligations would apply, and shall give to GPEC a reasonable opportunity to defend the same at its own expense and with counsel reasonably satisfactory to the indemnified party.

- F. INSURANCE:** GPEC shall procure and maintain for the duration of this Agreement, at GPEC's own cost and expense, insurance against claims for injuries to persons or damages to property which may arise from or in connection with this Agreement by GPEC, its agents, representatives, employees or contractors, in accordance with the Insurance Requirements set forth in **Exhibit E** ("Insurance Requirements"), attached hereto. - G. GRATUITIES.** The City may, by written notice to GPEC, terminate the right of GPEC to proceed under this Agreement upon one (1) calendar day notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by GPEC, or any agent or representative of GPEC, to any officer or employee of the City with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performance of such contract; provided that the existence of the facts upon which the City makes such findings shall be an issue and may be reviewed in any competent court. In the event of such termination, the City shall be entitled to pursue all legal and equitable remedies against GPEC available to the City.

Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. GPEC agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 2. GPEC will, in all solicitations or advertisements for employees place by or on behalf of GPEC, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation, national origin, age or disability.
 3. GPEC will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement, provided that the foregoing provisions shall not apply to agreements or subcontracts for standard commercial supplies or new materials.

action within that period and diligently and continuously prosecute the same to completion within 90 days or such longer period as the City may approve in writing. The foregoing notwithstanding, in the event of circumstances which render GPEC incapable of providing the services required to be performed hereunder, including, but not limited to, insolvency or an award of monetary damages against GPEC in excess of its available insurance coverage and assets, the City may immediately and without further notice terminate this Agreement.

FY 15 MILESTONES

SEEK INVESTMENT
TO ACCELERATE DEVELOPMENT
AND COMMUNITY PLANNING

Working together, GPEC's Economic Development Directors Team and the Community Building Consortium identified key assets in the region for investment promotion through a REIT/developer task force. GPEC's business development team targeted and attended conferences with leaders in national real estate and development. Building a network of development influencers, GPEC integrated development executives and capital managers into the standard sales mission process which includes site selection consultants, tenant representative brokers and corporate real estate executives promoting the assets of the region.

HOST NATIONAL AND
INTERNATIONAL ROAD SHOWS

GPEC successfully hosted road shows in San Francisco, San Jose and Washington, DC. Led by mayors and county supervisors, GPEC convened key executives to demonstrate the investment and supply chain opportunities available in Greater Phoenix.

PLACE A RAZOR-SHARP FOCUS
ON CALIFORNIA

The business development team led more than twenty missions into California, targeting high growth technology companies, advanced manufacturing operations and logistics users. The sales missions were part of an aggressive strategy to bolster direct lead-generation through engagement with key multipliers and industry executives. California expansions remain a top source of prospects for GPEC.

FY 16 ACTION ITEMS

ACTION ITEM → IMPLEMENTATION PLAN

Accelerate California Technology, Corporate Headquarters and Manufacturing Opportunities

→ California continues to generate the majority of prospects. As such, GPEC will target advanced manufacturing, distribution and technology companies, as well as key multipliers, REITs, venture capitalists and corporate real estate executives in California, through strategic marketing efforts and direct engagement with companies with California corporate headquarters.

Host National and International Road Shows

→ Following the success of road shows in Silicon Valley, Vancouver, and San Francisco, GPEC will execute three missions with major events, to be led by the region's mayors and Maricopa County Supervisors. Supported by GPEC investors, the organization will convene key executives and multipliers and demonstrate the regional value proposition to targeted industry leaders.

Expand FDI Activities in Canada and Enhance Efforts in the United Kingdom and Western Europe and Support Efforts in Mexico

→ Following successful missions into Toronto, GPEC will expand its efforts in the Ontario Province while evaluating additional opportunities in Eastern Canada. In addition, the UK is predicted to be the fastest growing economy of the G7, and its economic growth, along with its strong financial services and technology sectors, make it an ideal target for FY16 efforts. Both the UK and Western Europe will be approached through conferences and sales missions, leveraging U.S.-based relationships that have been built over the last two fiscal years. GPEC will continue to support state and city's efforts to strengthen relationships and commerce between Arizona and Mexico.

Progress Corporate 100 Program

→ Last year, GPEC identified and began to profile the top 100 employers in the Greater Phoenix region, not headquartered in Arizona. This year, GPEC will accelerate efforts to profile these companies and continue establishing relationships between local community leadership and companies' national leadership in order to mitigate potential contraction, as well as identify areas of opportunity for new growth and expansion.

Solidify Reputation as Best-in-Class Economic Development Organization

→ By expanding its visitation program with site selection consultants and multipliers (e.g., law firms, financial institutions), GPEC will continue to solidify its reputation as a best-in-class economic development organization. In addition, top site selection consultants will evaluate the services provided by GPEC's business development team, including the use of advanced labor analytics and cost analysis tools, relative to other market leaders nationally.
