FOR OUTSIDE REPAIRS OF JOHN DEERE EQUIPMENT**

This Professional Services Agreement ("Agreement") is entered into and effective between CITY OF GLENDALE, an Arizona municipal corporation ("City") and RDO Equipment Co., a Delaware corporation, authorized to do business in the State of Arizona, ("Vendor") as of the 24 day of November, 2015 ("Effective Date").

**RECITALS**

- A. City intends to undertake a project for the benefit of the public and with public funds that is more fully set forth in Exhibit A, Project (the "Project");

- C. Vendor desires to provide City with professional services ("Services") consistent with the best heavy machinery rebuilding and repair practices and the standards set forth in this Agreement, in order to complete the Project; and
- D. City and Vendor desire to memorialize their agreement with this document.

**AGREEMENT**

In consideration of the Recitals, which are confirmed as true and correct and incorporated by this reference, the mutual promises and covenants contained in this Agreement, and other good and valuable consideration, City and Vendor agree as follows:

**1. Key Personnel; Other Vendors.**

1.1 Professional Services. Vendor will provide all Services necessary to assure the Project is completed timely and efficiently consistent within Project requirements, including, but not limited to, working in close interaction and interfacing with City and its designated employees, and working closely with others, including other Vendors or contractors, retained by City.

1.2 Project Team.

a. Project Manager.

(1) Vendor will designate an employee as Project Manager with sufficient training, knowledge, and experience to, in the City's opinion, complete the project and handle all aspects of the Project such that the work produced by Vendor is consistent with applicable standards as detailed in this Agreement; and

(2) The City must approve the designated Project Manager.

b. Project Team.

(1) The Project Manager and all other employees assigned to the Project by Vendor will comprise the "Project Team."

(2) Project Manager will have responsibility for and will supervise all other employees assigned to the Project by Vendor.

c. Discharge, Reassign, Replacement.

(1) Vendor acknowledges the Project Team is comprised of the same persons and roles for each as may have been identified in Exhibit A.

- (2) Vendor will not discharge, reassign, replace or diminish the responsibilities of any of the employees assigned to the Project who have been approved by City without City's prior written consent unless that person leaves the employment of Vendor, in which event the substitute must first be approved in writing by City.
  - (3) Vendor will change any of the members of the Project Team at the City's request if an employee's performance does not equal or exceed the level of competence that the City may reasonably expect of a person performing those duties, or if the acts or omissions of that person are detrimental to the development of the Project.
- d. Subcontractors. Vendor shall not engage any subcontractor for the work or services to be performed under this Agreement.

2. **Schedule.** The Services will be undertaken in a manner that ensures the Project is completed timely and efficiently in accordance with the Project.

3. **Vendor's Work.**

3.1 **Standard.** Vendor must perform Services in accordance with the standards of due diligence, care, and quality prevailing among Vendors having substantial experience with the successful furnishing of Services for projects that are equivalent in size, scope, quality, and other criteria under the Project and identified in this Agreement.

3.2 **Licensing.** Vendor warrants that:

- a. Vendor currently holds all appropriate and required licenses, registrations and other approvals necessary for the lawful furnishing of Services ("Approvals"); and
- b. Neither Vendor has been debarred or otherwise legally excluded from contracting with any federal, state, or local governmental entity ("Debarment").
  - (1) City is under no obligation to ascertain or confirm the existence or issuance of any Approvals or Debarments, or to examine Vendor's contracting ability.
  - (2) Vendor must notify City immediately if any Approvals or Debarment changes during the Agreement's duration. The failure of the Vendor to notify City as required will constitute a material default under the Agreement.

3.3 **Compliance.** Services will be furnished in compliance with applicable federal, state, county, and local statutes, rules, regulations, ordinances, building codes, life safety codes, and other standards and criteria designated by City.

3.4 **Coordination; Interaction.**

- b. Subject to any limitations expressly stated in the Project Budget, Vendor will meet to review the Project, Schedule, Project Budget, and in-progress work with Coordinating Project Professionals and City as often and for durations as City reasonably considers necessary in order to ensure the timely work delivery and Project completion.
- c. For projects not involving Coordinating Project Professionals, Vendor will proactively interact with any other contractors when directed by City to obtain or disseminate timely information for the proper execution of the Project.

3.5 **Work Product.**

- a. Vendor shall provide evaluations, reports, status updates and any reviews of the equipment and the work performed in order to inform the City's designee of the problem or issue with the equipment so that an informed decision regarding repair or replacement may be made.

- b. **Warranty.** At a minimum, Vendor must warrant the Services performed for products and workmanship.

**4. Compensation for the Project.**

- 4.1 **Compensation.** Vendor's compensation for the Project will not exceed \$20,000, as specifically detailed in Exhibit C ("Compensation").
- 4.2 **Change in Scope of Project.** The Compensation may be equitably adjusted if the originally contemplated Scope as outlined in the Project is significantly modified.
  - a. Adjustments to Compensation require a written amendment to this Agreement and may require City Council approval.
  - b. Additional services which are outside the Scope of the Project contained in this Agreement may not be performed by the Vendor without prior written authorization from the City.
  - c. Notwithstanding the incorporation of the Exhibits to this Agreement by reference, should any conflict arise between the provisions of this Agreement and the provisions found in the Exhibits and accompanying attachments, the provisions of this Agreement shall take priority and govern the conduct of the parties.
- 4.3 **Allowances.** An "Allowance" may be identified in Exhibit C only for work that is required by the Scope and the value of which cannot reasonably be quantified at the time of this Agreement.
  - a. As stated in Sec. 4.1 above, the Compensation must incorporate all Allowance amounts identified in Exhibit C and any unused allowance at the completion of the Project will remain with City.
  - b. Vendor may not add any mark-up for work identified as an Allowance.
  - c. Vendor will not use any portion of an Allowance without prior written authorization from the City.
- 4.4 **Expenses.** City will reimburse Vendor for certain out-of-pocket expenses necessarily incurred by Vendor in connection with this Agreement, without mark-up (the "Reimbursable Expenses"), including, but not limited to, document reproduction, materials for book preparation, postage, courier and overnight delivery costs incurred with Federal Express or similar carriers, travel and car mileage, subject to the following:
  - a. Mileage, airfare, lodging and other travel expenses will be reimbursable only to the extent these would, if incurred, be reimbursed to City of Glendale personnel under its policies and procedures for business travel expense reimbursement made available to Vendor for review prior to the Agreement's execution, and which policies and procedures will be furnished to Vendor;
  - b. The Reimbursable Expenses in this section are approved in advance by City in writing; and
  - c. The total of all Reimbursable Expenses paid to Vendor in connection with this Agreement will not exceed the "not to exceed" amount identified for Reimbursable Services in the Compensation.

**5. Billings and Payment.**

**5.1 Applications.**

- a. Vendor will submit monthly invoices (each, a "Payment Application") to City's Project Manager and City will remit payments based upon the Payment Application as stated below.
- b. The period covered by each Payment Application will be one calendar month ending on the last day of the month.

5.2 Payment.

- a. After a full and complete Payment Application is received, City will process and remit payment within 30 days.
- b. Payment may be subject to or conditioned upon City's receipt of:
  - (1) Completed work generated by Vendor; and
  - (2) Unconditional waivers and releases on final payment as City may reasonably request to assure the Project will be free of claims arising from required performances under this Agreement.

5.3 Review and Withholding. City's Project Manager will timely review and certify Payment Applications.

- a. If the Payment Application is rejected, the Project Manager will issue a written listing of the items not approved for payment.
- b. City may withhold an amount sufficient to pay expenses that City reasonably expects to incur in correcting the deficiency or deficiencies rejected for payment.

6. Termination.

6.1 For Convenience. City may terminate this Agreement for convenience, without cause, by delivering a written termination notice stating the effective termination date, which may not be less than 15 days following the date of delivery.

- a. Vendor will be equitably compensated for Services furnished prior to receipt of the termination notice and for reasonable costs incurred.
- b. Vendor will also be similarly compensated for any approved effort expended, and approved costs incurred, that are directly associated with Project closeout and delivery of the required items to the City.

6.2 For Cause. City may terminate this Agreement for cause if Vendor fails to cure any breach of this Agreement within seven days after receipt of written notice specifying the breach.

- a. Vendor will not be entitled to further payment until after City has determined its damages. If City's damages resulting from the breach, as determined by City, are less than the equitable amount due but not paid Vendor for Services furnished, City will pay the amount due to Vendor, less City's damages, in accordance with the provisions of Sec. 5.
- b. If City's direct damages exceed amounts otherwise due to Vendor, Vendor must pay the difference to City immediately upon demand; however, Vendor will not be subject to consequential damages more than \$1,000,000 or the amount of this Agreement, whichever is greater.

7. Conflict.

- a. Vendor acknowledges this Agreement is subject to A.R.S. § 38-511, which allows for cancellation of this Agreement in the event any person who is significantly involved in initiating, negotiating, securing, drafting, or creating the Agreement on City's behalf is also an employee, agent, or Vendor of any other party to this Agreement.
- b. Vendor must not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, national origin, age, marital status, sexual orientation, gender identity or expression, genetic characteristics, familial status, U.S. military veterans status or any disability. Vendor will require any other vendors to be bound to the same requirements as stated within this section. Vendor, and on behalf of any other vendors, warrants compliance with this section.

- b. This indemnity and hold harmless provision applies even if a Demand or Expense is in part due to the Indemnified Party's negligence or breach of a responsibility under this Agreement, but in that event, Vendor will be liable only to the extent the Demand or Expense results from the negligence or breach of a responsibility of Vendor or of any person or entity for whom Vendor is responsible.
