## INSTRUCTIONS

---

This prohibition is imposed from the time of the first public notice of the solicitation until the City cancels the solicitation, rejects all responses, awards a contract or otherwise takes action which ends the solicitation process. This section shall not prohibit public comment at any City Council meeting, study session or Council committee meeting.

This prohibition shall not apply to vendor-initiated communication with the contact(s) identified in the solicitation or City-initiated communications for the purposes of conducting the procurement including but not limited to pre-bid conferences, clarification of responses, presentations if provided in the solicitation, requests for Best and Final Proposals, contract negotiations, protest/appeal resolution, or surveying non-responsive vendors.

Violations of this provision shall be reported to the Purchasing Administrator. Persons violating this prohibition may be subject to a warning letter or rejection of their response depending on the nature of the violation.

- i.10 **LAWFUL PRESENCE IN THE UNITED STATES.** Arizona Revised Statutes §1-502 requires that all Persons who will be awarded a contract (a Public Benefit as defined in 8 USC Section 1621) must demonstrate they are lawfully present in the United States. - i.12 **RESPONSIBILITY TO READ AND UNDERSTAND.** Failure to read, examine and understand the solicitation will not excuse any failure to comply with the requirements of the solicitation or any resulting contract, nor shall such failure be a basis for claiming additional compensation. If a vendor suspects an error, omission or discrepancy in this solicitation, the vendor must immediately and in any case not later than seven (7) business days in advance of the due date notify the contact on page 1. The City is not responsible for and will not pay any costs associated with the preparation and submission of the bid. The City may seek clarification of the bid from bidder at any time, and failure to respond is cause for rejection. Submission of a bid confers on bidder no right to an award or to a subsequent contract. The City is charged by its Charter to make an award that is in the best interest of the City. All decisions on compliance, evaluation, terms and conditions shall be made solely at the City's discretion and made to favor the City. i.22 **PROTESTS AND APPEALS.** If a Respondent believes there is a mistake, impropriety, or defect in the solicitation, believes the City improperly rejected its proposal, and/or believes the selected proposal is not in the City's best interests, the Respondent may submit a written protest. All protests and appeals are governed by the City of Mesa Procurement Rules ("Procurement Rules"). Please see the Procurement Rules for more information; if there exists any discrepancy in this Section i.22 and the Procurement Rules, the language of the Procurement Rules controls.

Protests based upon alleged mistake, impropriety, or defect in a solicitation that is apparent before the bid opening must be filed with the Procurement Officer no later than 6:00 p.m. four (4) calendar days before Bid Opening. Protests that only become apparent after the Bid Opening must be filed within the earlier of seven (7) calendar days after: (i) the protestor knows or should have known the basis of the protest; or (ii) the date the City issues a Notice of Intent to Award. Protests that only become apparent after the City issues a Notice of Intent to Award must be filed within seven (7) calendar days after the protestor knows or should have known the basis of the protest; however, no protest may be filed later than seven (7) calendar days after contract execution.

A protestor must file the protest with the Procurement Officer. Only written protests submitted in accordance with the Procurement Rules, within the time allowed, that are based on legal and/or factual grounds will be considered. The Procurement Officer will issue a written decision.

A protestor has the right to appeal the decision of the Procurement Officer to the City Manager or designee. Appeals must be filed with the Chief Procurement Officer within seven (7) calendar days after the date the decision is received by the protestor. The appeal must be in accordance with the Procurement Rules and be based on factual or legal errors in the Procurement Officer's decision, not simply a disagreement with that decision.

The City Manager or designee will review the record and all documents submitted to the Procurement Officer to determine whether the decision should be sustained. The City Manager, at his/her sole discretion, has the option of referring the appeal to a hearing officer. The City Manager or designee will issue a written response to the appeal and this determination is final.

Protest and appeal responses will be made by the City in a timely manner. The Procurement Officer will have the sole discretion to stay the contract process until a protest or appeal is resolved. Concerns raised seven (7) calendar days or more after execution of the contract are not subject to this protest/appeal process. ## **INSTRUCTIONS – EVALUATION**

---

---

- i.23 **EVALUATION PROCESS.** Bids will be reviewed by a screening committee comprised of City employees and/or authorized agents. The City staff may or may not initiate discussions with bidders for clarification purposes. Clarification is not an opportunity to change the bid. Bidders shall not initiate discussions with any City employee or official.
- i.24 **PRESENTATIONS/INTERVIEWS.** The bidder must provide a formal presentation/interview upon request.
- i.25 **CRITERIA FOR EVALUATION AND AWARD.** The City evaluates three categories of information: responsiveness, responsibility, and price. All bids must meet the following responsiveness and responsibility criteria.
- a) Responsiveness. The City will determine whether the bid complies with the instructions for submitting bids including completeness of bid which encompasses the inclusion of all required attachments and submissions. The City must reject any bids that are submitted late. Failure to meet other requirements may result in rejection.
  - b) Responsibility. The City will determine whether the bidder is one with whom it can or should do business. Factors that the City may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced bids, past performance, references (including those found outside the bid), compliance with applicable laws-including tax laws, bidder's record of performance and integrity - e.g. has the bidder been delinquent or unfaithful to any contract with the City, whether the bidder is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A bidder must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. City staff may also use Dun & Bradstreet and/or any generally available industry information. The City reserves the right to inspect and review bidder's facilities, equipment and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.
  - c) Price. We will then evaluate the bids that have met the requirements above.
  - d) Those vendors supplying quotes, bids or proposal who have Mesa Transaction Privilege Tax license and who would be charging Mesa City TPT on the invoice if awarded, will have 1.75% removed from the taxable (item(s) for the purpose of award evaluation. Awarded vendors shall charge the full amount of tax on their invoice(s).
- This consideration does not apply to:
- Construction procurements or any other procurement done using Arizona Revised Statutes Title 34 processes.
  - Purchases using Federal or other funds where the agreement that provided the funds precludes any local consideration or preference.
- i.26 **COST JUSTIFICATION.** In the event only one response is received, the City may require that the bidder submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the bid price is fair and reasonable.
- i.27 **CONTRACT NEGOTIATIONS AND ACCEPTANCE.** Bidder must be prepared for the City to accept the bid as submitted. If bidder fails to sign all documents necessary to successfully execute the final contract within a reasonable time as specified, or negotiations do not result in an acceptable agreement, the City may reject bid or revoke the award, and may begin negotiations with another bidder. Final contract terms must be approved or signed by the appropriately authorized City official(s). No binding contract will exist between the bidder and the City until the City executes a written contract or purchase order.
- i.28 **NOTICE OF INTENT TO AWARD.** Notices of the City's intent to award a Contract are posted to the Purchasing Division's website before 6:00 PM local time on Wednesdays. If Wednesday is a holiday observed by the City, Notice will be posted on Tuesday.
