SUBJECT: Contract Extension No. 1
Contract No. C-10802-1
Heavy Duty Truck, Construction, and Agricultural/Industrial Fleet and Equipment
Parts, Service and Accessories

Dear Mr. Helms,

The above-mentioned contract expired on July 31, 2016. Under the original Linking Agreement, Section 1, the City of Glendale had the option to extend the term of its contract with Empire Southwest if the original contracting parties likewise extended the Cooperative Purchasing Agreement. The City therefore wishes to exercise its right to extend the contract for a one-year period from August 1, 2016 through July 31, 2017. This letter serves as the first extension. There are three extensions remaining. The City will inform you at a later date whether it wishes to exercise its option to extend the term of the contract further. All provisions of the Linking Agreement and original Cooperative Purchasing Agreement remain in full force and effect unless and until the parties agree to a written amendment or modification.

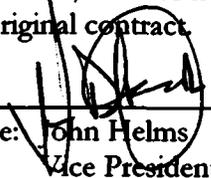

Thank you for your consideration.

Sincerely,

Kevin R. Phelps
City Manager

Contractor/Vendor hereby acknowledges this contract extension and its intent to follow all terms of the original contract.
