Dear Mr. Hyjek:

Thank you very much for all the work you have done on behalf of the City of the Glendale and the West Valley Partners. The F-35 Record of Decision was a significant accomplishment and we greatly appreciate the role that your firm played in securing that announcement.

Now that the Record of Decision has been released, the West Valley Partners anticipate that our need for federal lobbying services will be reduced. Per the terms of your contract, we would like to continue our relationship with your firm through the contract end date of December 31, 2012 but at a reduced level of \$2,500 per month beginning in September. Should an unforeseen issue arise that you estimate will require more than that level of work on our behalf, please contact my office for prior approval of any expenses exceeding that amount.

Again, thank you for all the work you've done on behalf of Glendale and the West Valley Partners. We look forward to continuing to work together to realize successes for our communities and Luke Air Force Base.

Sincerely,

A handwritten signature in cursive script that reads "Jenna Goad".
