The summary above of certain provisions of the Program Documents is provided for City's convenience and is not intended to be an exhaustive description of all material terms of the Program Documents. City is advised to carefully review the Program Documents in their entirety. In the event of any conflict between this summary and the Program Documents, the terms of the Program Documents will control.

1.3 Training. City will participate in any training provided by ACAA on dates and times selected by ACAA.

1.4 Program Modification. ACAA and the Fund Sources reserve the right to modify program eligibility guidelines and Program Documents in compliance with federal law. City agrees to implement and comply with any and all modifications immediately after receipt of written notice of such modifications.

2. Term and Termination.

2.1 Term. Unless sooner terminated pursuant to *Section 2.2*, the term of this Agreement will be for one year beginning on the later of full execution of this Agreement and **July 1, 2011 (the "Effective Date") and ending on June 30, 2012.**

2.2 Termination. Either ACAA or City may terminate this Agreement at any time, for any or no reason, by giving thirty (30) days written notice to the other party of its election to terminate. If a Fund Source terminates a program or otherwise discontinues funding to ACAA, then this Agreement will automatically terminate as to any services to be provided for that Fund Source.

2.3 Effect of Termination; Survival. Upon termination, City's obligation to perform further services for ACAA shall terminate and ACAA's obligation to provide funding to City for such services shall terminate, but the remainder of this Agreement shall continue in full force and effect.

3. Funding; Expenses; Nature of Relationship.

3.1 Funding; Payments to City. Not later than the 15th day of each month, City will submit an invoice to ACAA for all services City performed during the prior month as required by *Section 4*. ACAA will endeavor to review City's invoices and give notice to City of any disallowed items within ten (10) business days after ACAA receives the invoice. ACAA will submit all approved portions of City's invoice to the applicable Fund Sources. City acknowledges and agrees that all invoices are subject to approval by the Fund Sources and ACAA's approval does not bind any Fund Source or constitute a guarantee by ACAA of payment to City.

3.2 Reimbursement of Expenses. ACAA may provide certain materials and supplies to City for use in performing services under this Agreement. Except for such materials and supplies, and except to the extent the Program Documents permit reimbursement of expenses from the Fund Sources, City shall be responsible for expenses that it incurs in performing services under this Agreement, and shall not be entitled to reimbursement from ACAA.

3.3 Expenditures. ACAA reserves the right to terminate, reduce, or reallocate funds to another City within the service territory, if City's expenditure rate, during the contract period, is not at a reasonable percentage to ensure one hundred percent expenditure of funds. ACAA will conduct a review of agency expenditures on a quarterly basis, and will notify the City of any concerns.

3.4 Nature of Relationship. As between ACAA and City, ACAA shall have the same rights as the Funding Sources have under the applicable Program Documents. City shall have only those rights expressly provided to City under this Agreement. The relationship between ACAA and City shall be that of independent contractors for all purposes including tax law purposes and employment law purposes and not the relationship of employer-employee, partners, joint venturers, or otherwise. City acknowledges and agrees that City shall have no right or opportunity to participate in any employee benefits plans, compensation plans, or other benefits that ACAA may offer to its employees, and that City will not be treated as an employee for purposes of workers compensation laws, employment laws, or tax laws,

including without limitation federal and state income tax laws, social security tax laws and unemployment contribution laws. City agrees to comply with all laws applicable to independent contractors including, but not limited to, professional and tax licensing requirements and reporting and payment of applicable federal, state and local taxes, including without limitation income taxes and self-employment taxes.

3.5 Indemnification. City agrees to indemnify, defend and hold ACAA and its directors, officers, employees and agents harmless for, from and against any tax or other liabilities, losses, costs, expenses (including attorneys' fees and court costs), penalties, claims, demands resulting from or arising out of a breach of this Agreement by City or City's employees or agents, or resulting from or arising out of rendering services under this Agreement by City or City's employees or agents or to the extent caused by the negligence or intentional misconduct of City or City's employees or agents. ACAA agrees to indemnify, defend and hold City and its directors, officers, employees and agents harmless for, from and against any liabilities, losses, costs, expenses (including attorneys' fees and court costs), penalties, claims, demands to the extent caused by the negligence or intentional misconduct of ACAA or ACAA's employees or agents.

3.6 Insurance.

3.6.1 City and any subcontractors shall procure and maintain, until all of their obligations have been satisfied, insurance against claims for injury to persons or damage to property which may arise from or in connection with the performance of the services hereunder by City or City's agents, representatives, employees or subcontractors. City shall also procure and maintain all additional insurance coverage required by the Program Documents.

3.6.2 The insurance requirements herein are minimum requirements for this Agreement and in no way limit City's indemnity obligations contained in this Agreement. ACAA makes no representation or warranty that the minimum limits contained herein are sufficient to protect City from liabilities that might arise out of the performance of the work under this contract by City, its agents, representatives, employees or subcontractors, and City is free to purchase additional insurance.

3.6.3 City shall provide coverage with limits of liability not less than those stated below.

1. *Commercial General Liability – Occurrence Form*

General Aggregate: The policy will have a combined single limit of \$2,000,000 for each occurrence for bodily injury and property damage. The policy shall include bodily injury, property damage, personal injury and broad form contractual liability.

a. The policy shall be endorsed to include the following additional insured language: *“Arizona Community Action Association shall be named as additional insured with respect to liability arising out of the activities performed by or on behalf of the City”.*

b. The policy shall contain a waiver of subrogation against Arizona Community Action Association and its officers, officials, agents, and employees for losses arising from work performed by or on behalf of the City.

2. *Automobile Liability*

Bodily Injury and Property Damage for any owned, hired, and/or non-owned vehicles used in the performance of this Agreement.

Combined Single Limit (CSL) \$ 1,000,000

a. The policy shall be endorsed to include the following additional insured language: *“Arizona Community Action Association shall be named as additional insured with respect to liability arising out of the activities performed by or on behalf of the City, involving automobiles owned, leased, hired or borrowed by the City”.*

3. *Worker's Compensation and Employers' Liability*

The policy will cover all obligations imposed by federal, state and local statutes with jurisdiction over City's employees.

a. The policy shall contain a waiver of subrogation against Arizona Community Action Association and its officers, officials, agents, and employees for losses arising from work performed by or on behalf of the City.

3.6.4 Wherever additional insured status is required, such additional insured shall be covered to the full limits of liability purchased by the City, even if those limits of liability are in excess of those required by this Agreement. The City's insurance coverage shall be primary insurance with respect to all other available sources. Coverage provided by the City shall not be limited to the liability assumed under the indemnification provisions of this Agreement.

3.6.5 Each insurance policy required by the insurance provisions of this Agreement shall provide the required coverage and shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days prior written notice has been given to ACAA.

3.6.6 Insurance is to be placed with duly licensed or approved non-admitted insurers in the state of Arizona with an “A.M. Best” rating of not less than A- VII. ACAA makes no representation or warranty that the above-required minimum insurer rating is sufficient to protect City from potential insurer insolvency. If City utilizes the Social Service Contractors Indemnity Pool (SSCIP) or other approved insurance pool for insurance coverage, SSCIP or the other approved insurance pool is exempt from the A.M. Best's rating requirements listed in this Agreement. If City chooses to use SSCIP or another approved insurance pool as its insurance provider, City would be considered in full compliance with insurance requirements relating to the A.M. Best rating requirements.

3.6.7 City shall furnish ACAAA with certificates of insurance (ACORD form or equivalent approved by ACAAA) as required by this Agreement. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by ACAAA before services commence. Each insurance policy required by this Agreement must be in effect at or prior to commencement of services under this Agreement and remain in effect for the duration of the term of this Agreement. Failure to maintain the insurance policies as required by this Agreement, or to provide evidence of renewal, is a material breach of contract.

3.6.8 City's certificate(s) shall include all subcontractors as insureds under its policies or City shall furnish to ACAAA separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum requirements identified above.

4. **Compliance with Terms of Funding.** City acknowledges that City's services will be part of the programs funded by the Funding Sources listed in **Section 1** pursuant to the Program Documents. City agrees it will be bound by and will comply with all terms and conditions of the Program Documents, including without limitation all indemnification and insurance obligations. The "Program Documents" consist of the documents attached hereto as **Exhibits A** through **F** and any written policies and procedures that ACAAA may send to City from time to time, all of which are incorporated herein by this reference. The Program Documents require ACAAA to submit certain periodic reports to the Fund Sources. City agrees to cooperate with ACAAA in preparing these reports. In addition, City shall submit monthly reports to ACAAA on forms prescribed by ACAAA and comply with all other reporting obligations under the Program Documents. Such invoices and reports shall be submitted no later than fifteen (15) days after the end of each month.

4.1 **Grant Management System Database (GMS).** City will ensure all fund sources will be directly inputted into the GMS Database system or transferred electronically.

Mission

The Home Energy Assistance Fund develops and coordinates resources through education, advocacy, financial assistance and partnerships to help Arizona families meet their basic energy needs and move toward economic stability.

Purpose and Principles

The ACAA Home Energy Assistance Fund, also referred to as the “Fund”, has been established to provide assistance to Arizona households needing assistance in managing their energy burdens. The tenets of the program include:

- Crisis prevention – to guard against disconnection, to facilitate or to establish reconnection of natural gas, electric services, and other non regulated fuel sources;
- Be an adjunct to currently existing energy assistance resources;
- Be a “hand up” not a “hand out”;
- Empower administering agencies with the discretion to assist families as needed.

Household Eligibility

An Eligible Applicant

The applicant must be an adult household member. The applicant must provide verification of household membership. Verification includes but is not limited to: driver’s license with household address, a post office marked document, or an authorized statement from a third party such as a bank statement.

If the applicant is not a member of the household, in order to apply for assistance, s/he must show evidence of a Power of Attorney or a notarized statement, or any other acceptable document authorizing him/her to represent the household.

Relatives of Applicants

Intake workers are not permitted to complete applications for their own relatives to the first-cousin level including step and in-law relatives. Specifically parents, siblings, spouses, aunts, and uncles are to be interviewed by another intake worker, the Program Manager/Supervisor or Director. Upon request, and when possible, Home Energy Assistance Fund staff may provide application intake.

Agency Employees or Other Employees of Sub-Contracted Entity, as Applicants

Agency employees and/or other employees of the sub-contracted entity shall not be denied the right to apply for and receive services due to their employment with the sub-contracted entity. These individuals or members of their households may apply for assistance. Application intake

for an Agency employee must be conducted, eligibility determined, and authorized by the next level of supervision. Upon special request, and if available, a Home Energy Assistance Fund staff member may provide the intake of an application.

Services to Native Americans Living on Reservation

Agencies will provide Home Energy Assistance Fund bill assistance services to Native Americans living on tribal reservations. The amount of funding to be used to serve families living on reservation is to be no less than the proportion of all Native Americans living on reservation within their respective service territory. Agencies are responsible for managing the outreach and referral processes in order to serve this population.

Income Eligibility

Household income level will be limited to 200% FPIG¹. Refer to the **Determining Household Income** section of the Policy Manual for methods in determining the household income.

Utility Status

Applicants with a delinquent account², a disconnect notice or who are without utility service are eligible for assistance. Intake workers have the discretion to extend special consideration for assistance to households demonstrating hardship and have a past due notice or a large outstanding balance. Applicants are not required to be the customer or record but must provide verification of the relationship between the utility services address and the applicant residential address.

Definition of Crisis

It is the intake worker's responsibility to determine the crisis reason and its relationship to the client's current need for services. The crisis reason may be supported with the necessary documentation and/or verification when applicable.

Crisis Reasons³:

1. Loss or reduction of income or public assistance benefits or delay in receiving public assistance benefits.
2. Unexpected and/or unplanned expenses that caused lack of resources.
3. A condition that endangers the health and safety of the household.

Sincere Effort to Pay

Applicants are expected to have demonstrated an effort of payment over the prior 90 days, but it is not required. There is no minimum dollar amount required to demonstrate effort of payment.

Housing Status

Assistance may be provided for individual residential utility accounts. Assistance may also be granted if utilities are included with rent if proper verification is provided⁴.

¹ Applicants over the 200% FPIG income guideline could qualify based on demonstration of need

² An account that is one or more days past due

³ Refer to the Glossary of Terms for detailed examples of crisis reasons

⁴ Evidence may include a copy of the lease or a note from the landlord.

Energy Burden

The household Energy Burden will also be used to determine eligibility for a grant. The energy Burden is determined by dividing the household's one month utility costs by the last 30 days of income. Refer to the **Determining Energy Burden** section of the Policy Manual for a detailed process.

Grants Approvals

Grant Amounts

The total assistance possible is a maximum of \$500. Payment(s) may include current and past due amounts including late charges, deposits, and reestablishment fees.

M-Power® and Other Prepay Energy Sources

The energy burden for SRP M-Power® customers and other cash-based energy resources will be the same as described in the **Determining Energy Burden** section. **A history of purchases from the vendor will be required to show purchases made in the past 30 days.** The client also may be required to present any purchase receipts that might fall between the usage statement and the time of the application. Specific to SRP M-Power® customers, it will be important to identify if the client has any debt on the account and what percentage of the purchases made have been applied to the debt and applied to the forward balance to determine an accurate energy burden.

The use of the funds, not to exceed \$500, will be used to eliminate any debt on the account and then to alleviate the crisis. The intake worker may determine the amount needed to sustain the utility for the household until the next source of income or from an evaluation of the current energy burden⁵. The intake worker may also take into consideration other past usage and the weather at that time to determine the grant amount. It is important to communicate to the utility vendor what portion of the grant will be applied to the debt and what portion will be applied to the forward balance.

If the debt on the account exceeds \$500, the forward balance and amount to pay off the debt can be determined by working backwards. First determine the forward balance needed to alleviate the crisis and then the remaining money available will be applied to the debt.

Example 1:

Mpower customer

⁵ Forward balance cannot not exceed 150% of the current energy burden.

Back balance = \$150

30 day need = \$100

Payback percentage required by SRP: 40%

Total grant: \$250

The case log must note that \$150 is earmarked for balance payoff. Otherwise, the \$250 will automatically be posted with 60% going to purchase (\$150) and 40% going to payoff (\$100), leaving \$50 in arrears.

Example 2

Back balance = \$700

30 day need = \$120

Payback percentage: 40%

Total grant: \$500

Case log should note that \$120 goes to present purchase with remaining \$320 to be applied to back balance. Otherwise, the \$500 will automatically be posted with 60% going to purchase (\$300) and 40% going to payoff (\$200).

Grant Frequency

A grant may be awarded to an eligible household one time per a 12 month period. The 12 month period is based on the date of the last approved application. An applicant that was determined ineligible may reapply at a later date.

Grants pay for:

Account arrearages

The grant amount cannot exceed the total amount owed on the account(s)⁷.

Security Deposit

Security deposits will be made only in the name of the adult in the household.

Other Utility Assistance Programs

When possible, the agencies are encouraged to access other sources of funding to alleviate the crisis. The Fund also intends to reach households whose income falls outside of the boundaries of more income-restricted funds such as LIHEAP. If necessary, the Fund may be combined with other funding sources to prevent the crisis.

Payments Made to Ineligible Households

If assistance has been provided to an ineligible household due to; intake worker error, no funds available when grant was promised, or the client was found ineligible after payment, the payment guarantee will be honored and the intake agency will be responsible for repaying the award from its agency funds other than Home Energy Assistance Fund monies. The Agency has the right to appeal repayment to ACAA.

Fraudulent Information

If a client has been found to be fraudulent in his/her application and the payment has not been sent to the utility, the payment will be stopped and the client appropriately informed.

Each person living in the home is considered a household member. Income and eligibility will be determined based on the entire household. Exceptions to household members are "boarders"¹⁰. Roommates' income is treated as one household entity¹¹. Refer to the Glossary for detail explanations of 'boarders' and 'roommates'.

2011 – 2012 Federal Poverty Income Guidelines

Effective July 1, 2011 – June 30, 2012

Federal Poverty Income Guidelines - Monthly Allowable Household Income		
Percent of Poverty	150%	200%
Household size		
1	1,362	1,816
2	1,839	2,452
3	2,316	3,088
4	2,795	3,726
5	3,272	4,362
6	3,749	4,998
7	4,227	5,636
8	4,704	6,272
For each additional member add:	\$478	\$637

Determining Household Energy Burdens

Energy Burden is determined by dividing the household's one-month utility costs by the last 30 days of income.

Example:

Past 30 days of household income: \$1,000

One-month current electric bill: \$45, one-month current gas bill: \$50 = \$95

$$\$95/\$1,000 = 9.5\% \text{ Energy Burden}$$

If the applicant has more than one utility source, all utility source costs will be combined to determine the energy burden even though the applicant may only present a crisis on one account. In case the current utility cost cannot be obtained, a standard cost of \$200 will be substituted in determining the energy burden. For electric and gas, a current one month bill can be obtained by calling the utility company.

An energy burden for non-regulated fuel sources such as wood, oil, coal and pellets can be determined by figuring the cost of the fuel from two consecutive purchase receipts. The 30 day fuel cost can be determined by dividing the total cost of the first purchase by the number of days between the first and the second purchases. If the fuel cost cannot be obtained, a standard cost of \$200 may be substituted.

Example:

Propane receipt 1 dated 1/10/07

Cost: \$300

Quantity: 100 gallons

Propane receipt 2 dated 4/10/07

Cost: \$250

Quantity: 100 gallons

Date of Application: 7/10/07

Cost per day = \$300 / 90 days = \$3.33

30 day energy cost = \$3.33 * 30 = \$99.99

Household income: \$1,000

30 day energy cost: \$99.99

$\$99.99/\$1,000 = 9.9\%$ Energy Burden

When an applicant's rent includes the utility cost and that cost is not specified in the lease agreement, a \$200 standard cost will be used in determining the energy burden. To demonstrate crisis, the renter must provide evidence of delinquent rent through a notice from the landlord. The intake worker must receive assurance from the landlord that the renter will not be evicted and that the grant will be applied appropriately to the renter's account.

Verification and Documentation
