Glendale, AZ 85301

Dear Mr. Friedman,

Due to recent, unforeseen developments that have resulted in significant setbacks for the local operations of Jivemind and Inter Technologies Corporation, we regret to inform you that we do not intend to renew our leasing Agreement of the 5754 W Glenn Dr. building. Please accept our withdrawal of the lease renewal intent Letter we submitted to you on November 18, 2015.

Upon expiration of our current lease term ending on January 31, 2016, we will vacate the property and satisfy the terms set forth in our current Agreement.

We tremendously value the partnership that has been cultivated with your team, City staff, City Council, and the City of Glendale as a whole over the years. We truly could not ask for better partners, and hope we have made a meaningful contribution to the Glendale community and its continued progress.

Sincerely yours,

Jeffrey Rose

Southwest Regional Director, Inter Technologies Corporation
