RE: Assignment of Grant Pass-Through Agreements for Grant Nos. AZ-37-X008 and AZ-37-X014 (City of Glendale Contract Numbers C-7932 and C-7933)

Dear Mr. Young:

The City of Glendale secured Federal Transit Administration JARC operating assistance for Route 70 (Glendale Avenue/Luke Air Force Base). Glendale entered into the above-referenced Intergovernmental Agreement ("Agreements") with this region's designated federal recipient, the City of Phoenix, to accept the funding. The total amount awarded for Route 70 service is \$740,000 (\$370,000 federal and \$370,000 match required). Receipt of these funds helps offset operating costs, allowing the continuation of Glendale transit services.

Through our annual Intergovernmental Agreement with Valley Metro RPTA, the Public Transportation Fund is used to pay for all of Route 70 on behalf of the City of Glendale. Therefore, Glendale requests to transfer the grant funds for Route 70 to Valley Metro RPTA.

In accordance with the exchange of funding described above, the City of Glendale, the City of Phoenix, and Valley Metro RPTA wish to assign all rights, interests, benefits, and liabilities of the portion of the Agreements pertaining to Route 70 to Valley Metro RPTA as set forth in the terms and conditions of the following Assignment. Please countersign the Consent to the Assignment and return a copy to me.

ASSIGNMENT:

The City of Glendale does hereby unconditionally assign, transfer, and convey to Valley Metro RPTA all rights, title, and interest in, to, and under the Agreements (City of Glendale Contract Numbers C-7932 and C-7933), dated February 14, 2012, together with any and all modifications, amendments, exhibits and addenda.

Sincerely,

Cathy Colbath
Interim Executive Director, Transportation Services

Consent, Agreements, and Certification of the City of Phoenix and Valley Metro RPTA

The undersigned hereby consents to the Assignment and to the provisions of the Agreements in their entirety.

CITY OF PHOENIX
