---	---	---

In accordance with the Special Terms and Conditions, the above referenced contract is amended as follows:

The option to extend the term of the agreement is exercised this 25nd day of March, 2013. The term of the contract is hereby extended from February 16, 2013 through February 15, 2014, unless terminated, canceled or extended as provided within the contract.

Due to the variety of metals involved and to the fluctuating prices of metals, all vendors are requested to bid their price based upon the American Metals Market, first publication of the month, first Friday of the month. Price is to be firm until the first publication of the following month. All pricing is to be based on #1 heavy melt, Los Angeles Export Market high side.

All price adjustments must be submitted to the Contract Administrator prior to approval: Jacob Romero at jromero@glendaleaz.com.

All other provisions of the contract shall remain in their entirety.

With the extension of this agreement, a current insurance certificate is required. The certificate and policy shall name the City of Glendale as an additional insured and shall be primary coverage for the activity of the contractor.

In witness whereof, the parties hereto have executed this amendment to be effective the date first written above.

Contractor hereby acknowledges receipt of and is in agreement with the amendment. A signed copy must be filed with the City of Glendale Materials Management office. Please provide current information if the address has changed.
