**PROBLEM IDENTIFICATION AND RESOLUTION:****Agency Background:**

The Glendale Police Department comprises approximately 400 sworn officers and 140 civilians serving a population of over 228,000 residents whose median age is 32.2 years. State Highway 101 (The "Loop" or Agua Fria Freeway) enters the City of Glendale at West Camelback Road near 99th Avenue and exits 10 miles later at North 51st Avenue. U.S. Highway 60 (Grand Avenue) enters the city of Glendale at its southeast corner, at the intersection of North 43rd Avenue and West Camelback Road, and proceeds northwest for approximately 5.5 miles to the border of our neighbor city on the northwest, Peoria, Arizona. There are over 800 miles of paved roadway in Glendale, which currently encompasses 58.15 square miles. The City of Phoenix borders Glendale at West Camelback Road in the south, and along North 43 and 51 Avenues on the east. South of West Northern Avenue, Glendale extends west past Luke Air Force Base and shares irregular boundaries with unincorporated areas of Maricopa County. In the north, Glendale's neighbor to the west is Peoria, with borders along 67, 79 and 83 Avenues, traveling progressively north.

The City of Glendale is the fourth largest city is the commercial, industrial, and educational hub of the northwest Phoenix metropolitan area. Currently, Glendale has an ever-growing estimated population of 230,000 people; with over 95,000 households. The City of Glendale is the home of the Phoenix Coyotes and Arizona Cardinals professional sports teams, as well as the new Camelback Ranch Major League Baseball Training Facility, home of the Los Angeles Dodgers, and Chicago White Sox. The City of Glendale has approximately 70 square miles of roadway that consist of residential streets, main arterial roadways, and several miles of freeway. Glendale has a 14 mile stretch of the Loop 101 Agua Fria Freeway that borders our north and west portion of the city and the entertainment districts.

**Agency Problem:**

The problem within the City of Glendale is an increase in the number of driving under the influence violations and impaired drivers on Glendale's roadways. With the increased number of drivers that travel on Glendale roadways each day. With the expansion of the city, and the higher number of entertainment districts Glendale has seen an increase in DUI violations and impaired drivers.

The Glendale Police Department implemented a full-time DUI enforcement squad in March, 2004. The Glendale Police Department has increased the squad from the initial 3 officers to a full squad of 7, with a dedicated sergeant to oversee the operations. Glendale Police Department has increased the DUI arrests by over 100% in the seven years since. In 2006, Glendale Police Department acquired a mobile DUI van to aid in faster processing of impaired drivers. This effort assisted in the Glendale Police Department officers to be back out on Glendale streets enforcing DUI violators within a timely manner. In addition to DUI detection and enforcement; the Glendale Police Department DUI squad is also tasked with youth alcohol enforcement and education, DRE evaluations, phlebotomy callouts, and liquor inspections. With the expansion of the unit, we have increased our areas of involvement. Furthermore, the Glendale Police Department DUI squad is part of the Arizona/West Valley DUI task force.

The City of Glendale continues to grow in size as does the population. This has a direct impact on Glendale Police Department's efforts. Glendale Police Department is requesting grant funding for DUI overtime to continue the efforts to combat DUI and impaired driver violators within the City of Glendale.

**Agency Attempts to Solve Problem:**

The Glendale Police Department is dedicated in increasing the efforts to curb impaired driving, while making the City of Glendale a safe place to travel to and from. Since the inception of the full time DUI Enforcement Squad, it has become a full squad of expertly trained DUI Enforcement motorcycle officers that are well versed in DUI detection and deterrence. The Glendale Police Department DUI squad consists of officers trained and certified as Drug Recognition Experts (DRE's) and instructors, Horizontal Gaze Nystagmus (HGN) technicians and instructors; as well as, qualified Law Enforcement Phlebotomists. This training and experience allows these Glendale Police Department officers to detect those offenders driving impaired by alcohol and/or drugs, which makes a large impact on the number of devastating traffic collisions when impairment is a factor. Just as important, is the motivation of each of these Glendale Police Department officers; as they have the understanding that they are making a difference, and find personal reward and satisfaction in what they do each and every day.

Glendale Police Department has increased the DUI arrests by over 100% in the seven years since. **Agency Funding:**

Federal (410) funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement throughout the City of Glendale.

**How Agency Will Solve Problem With Funding:**

The Glendale Police Department plans to utilize grant funding to enforce DUI laws within the City of Glendale. The Glendale Police Department DUI Enforcement Unit will continue its role as part of the West Valley DUI Task Force. Pro-active enforcement efforts will be increased and the Glendale Police Department will continue to be vigilant in the fight against driving under the influence offenders. Glendale Police Department officers will continue to conduct pro-active patrols during hours outside of normal shift hours, and on weekends and holidays when DUI violations are more prevalent. The Glendale Police Department will continue to plan, host, and participate in focused efforts to identify impaired drivers, and remove them from Glendale's roadways before they hurt themselves or others.
