**EXHIBIT "A"**

**EXHIBIT A**  
**SCOPE OF SERVICES**

1. The Scope of Services and the type of records that must be maintained are two elements of a Subrecipient Contract that vary most from activity to activity, and from grantee to grantee.
2. Agencies are required to prepare a Scope of Services, which is incorporated into the Subrecipient Contract with the City of Glendale. Each of the three sections of the Scope of Services (Description, Schedule, and Budget) must provide sufficient detail to permit effective monitoring of Agency's activities.
  - 2.1 Description: The description section details the activities to be carried out by the Agency. It should define the "who, what, where, and how" of the Program. It should specifically describe and quantify the services or products to be provided with City of Glendale funds. Where appropriate, it should specify how the Program will serve the intended beneficiaries.
  - 2.2 Schedule: A schedule is a required part of every Subrecipient Contract. It plays an essential role in the grant management system. The schedule should provide projected milestones and deadlines for accomplishment of tasks, or the delivery of services. These projected milestones and deadlines are a basis for measuring progress during the term of the Subrecipient Contract. For instance, the schedule for a public service activity may specify delivery of a certain number of staff-hours per quarter, or delivery of services to a certain number of persons per quarter. Other programs are likely to be more complex, requiring multiple tasks such as: establishing an office, developing program guidelines, taking applications, providing services to the client, outreach activities, and follow up. The schedule should include time frames for completing each task or activity.
  - 2.3 Budget:
    - a. The budget should provide a detailed presentation of projected revenues and expenses. The preparation of a detailed budget will help ensure that a project is adequately planned, in that, it will identify all expenses that are necessary to carry out the activities described in the program description, and quantify the resources required to cover these expenses.
    - b. The budget permits periodic comparisons of the projected use of funds with actual expenditures, as indicated on the monthly accomplishment reports submitted by the grantee. This comparison enables the City to seek corrective action where significant variations between the budget and actual expenditures are reported.

### ADDITIONAL INSURED REQUIRED BY WRITTEN CONTRACT ENDORSEMENT

- A. **Section II – Who is an Insured** is amended to include any person or organization you are required to include as an additional insured on this policy by a written contract or written agreement in effect during this policy period and executed prior to the “occurrence” of the “bodily injury” or “property damage”.
- B. The insurance provided to the above described additional insured under this endorsement is limited as follows:
1. This insurance provides coverage with regard to COVERAGE A BODILY INJURY AND PROPERTY DAMAGE (Section I – coverages only.)
  2. The person or organization is only an additional insured with respect to liability arising out of “your work”, “your product”, or your operations.
  3. In the event that the Limits of Insurance provided by this policy exceed the Limits of Insurance required by the written contract or written agreement, the insurance provided by this endorsement shall be limited to the Limits of insurance required by the written contract or written agreement. This endorsement shall not increase the Limits of Insurance shown in the Declarations pertaining to the coverage provided herein.
  4. This insurance does not apply to “bodily injury” or “property damage” arising out of “your work”, “your product”, or your operations included in the “product-completed operations hazard” unless you are required to provide such coverage by written contract or written agreement and then only for the period of time required by the written contract or written agreement and in no event beyond the expiration date of the policy.
  5. Any coverage provided by this endorsement to an additional insured shall be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis, unless the written contract or written agreement with additional insured specifically requires that this insurance be primary and non-contributory with any other insurance carried by the additional insured. In such case, this insurance shall be primary and non-contributory with any other insurance carried by the additional insured.
- C. In accordance with the terms and conditions of the policy and as more fully explained in the policy, as soon as practicable, each additional insured must give us prompt notice of any “occurrence” which may result in a claim, forward all legal papers to us, cooperate in the defense of any actions, and otherwise comply with all of the policy’s terms and conditions. Failure to comply with this provision may, at our option, result in the claim or “suit” be denied.

All other terms and conditions of the policy remain the same.

WOMEN'S BUSINESS ENTERPRISES AND LABOR SURPLUS AREA FIRMS**

1. It is a national policy to award a fair share of contracts to small and minority business firms. Accordingly, affirmative steps must be taken to assure that small and minority businesses are utilized when possible as sources of supplies, equipment, construction, and services. Affirmative steps will include the following:
  - 1.1 Qualified small and minority businesses on solicitation lists.
  - 1.2 Assuring that small and minority businesses are solicited whenever they are potential sources, and to the greatest extent possible that these businesses are located within the metropolitan area.
  - 1.3 When economically feasible, dividing total requirements into smaller tasks or quantities so as to permit maximum small and minority business participation.
  - 1.4 Where the requirement permits, establish delivery schedules which will encourage participation by small minority businesses.
  - 1.5 Using the services and assistance of the Small Business Administration, and the Office of Minority Business Enterprises of the Department of Commerce and the Community Services Administration as required.
  - 1.6 If any subcontracts are to be let, requiring the prime contractor to take the affirmative steps in §§ 1.1 through 1.5. Grantees will take similar appropriate action in support of women's enterprises.
  - 1.7 To the greatest extent feasible, opportunities for training and employment will be given to low and moderate income persons residing within the metropolitan area.
2. The above-described equal opportunity requirements are obligations of the City of Glendale because federal funds are being utilized to finance the Project to which this Project pertains.
3. In executing any contract, the Agency agrees to comply with the requirements and to provide appropriate documentation at the request of the City.
