

**AGREEMENT BETWEEN
THE GREATER PHOENIX ECONOMIC COUNCIL
AND THE CITY OF GLENDALE**
City Contract No. 8648

The City Council of the CITY OF GLENDALE, a municipal corporation (the "City"), has approved participation in and support of the regional economic development program of the GREATER PHOENIX ECONOMIC COUNCIL ("GPEC"), an Arizona non-profit corporation. The purpose of this agreement ("Agreement") is to set forth the regional economic development program that GPEC agrees to undertake, the support that the City agrees to provide, the respective roles of GPEC and the City and the payments of the City to GPEC for the fiscal year July 1, 2013 - June 30, 2014.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the CITY and GPEC agree as follows:

I. RESPONSIBILITIES OF GPEC

A. MISSION: GPEC works to attract quality businesses to the Greater Phoenix Region from around the world, and advocate and champion foundational effects to improve the region's competitiveness.

B. GOALS: GPEC is guided by and strategically focused on two specific long-range goals:

1. Marketing the region to generate qualified business/industry prospects in targeted economic clusters.
2. Leveraging public and private allies and resources to locate qualified prospects, improve overall competitiveness, and sustain organizational vitality.

C. RETENTION AND EXPANSION POLICY:

1. GPEC's primary role is image building, marketing and new business attraction for the Greater Phoenix region.
2. Retention and expansion of existing businesses is primarily a local issue.
3. GPEC can add value to retention and expansion of existing businesses through regional support and research on key retention and expansion projects.
4. GPEC has a responsibility to advise the City when an existing company contacts GPEC regarding a retention or expansion issue.

D. ACTION PLAN AND BUDGET: In accordance with the Mission, Goals and Retention Policy set forth above and subject to the availability of adequate funding, GPEC shall implement the Action Plan and Budget adopted by GPEC's Board of Directors, a copy of which has been delivered to the City, receipt of which is hereby acknowledged. A copy of the Action Plan is attached hereto as **Exhibit A** ("GPEC Action Plan"). The City shall be informed of any changes in the adopted Action Plan which will materially affect or alter the priorities established therein. Such notification will be in writing and will be made prior to implementation of such changes. Notwithstanding the foregoing, the City acknowledges and agrees that GPEC may, in its reasonable judgment in accordance with its own practices and procedures, substitute, change, reschedule, cancel or defer certain events or activities described in the Action Plan as required by a result of changing market conditions, funding availability, unforeseen expenses or other circumstances beyond GPEC's reasonable control. GPEC shall solicit the input of the City on the formulation of future marketing strategies and advertisements. The Action Plan will be revised to reflect any agreed upon changes to the Action Plan.

E. PERFORMANCE TARGETS:

1. Specific performance targets, established by GPEC's Executive Committee and Board of Directors, are attached hereto as **Exhibit B** ("GPEC Performance Measures") and shall be used to evaluate and report progress on GPEC's implementation of the Action Plan. In the event of changing market conditions, funding availability, unforeseen expenses or other circumstances beyond GPEC's reasonable control, these performance targets may be revised with the City's prior written approval, or with the prior written approval of a majority of the designated members of GPEC's Economic Development Directors Team ("EDDT"). GPEC will provide monthly reports to the City discussing in detail its progress in implementing the Action Plan as well as reporting the numerical results for each performance measurement set forth in Exhibit B. GPEC shall provide a copy of its annual external audit for the preceding fiscal year to the City no later than December 31, 2013.
2. In the case of any benchmark which is not met, GPEC will meet with the EDDT to provide an explanation of the relevant factors and circumstances and discuss the approach to be taken in order to achieve the target(s). Failure to meet a performance target will not, by itself, constitute an event of default hereunder unless GPEC (i) fails to inform the City of such event or (ii) fails to meet with EDDT to present a plan for improving its performance during the balance of the term of the Agreement will constitute an event of default for which the City may terminate this Agreement pursuant to paragraph IV.J. below.

II. RESPONSIBILITIES OF THE CITY

- A. STAFF SUPPORT OF GPEC EFFORTS:** The City shall provide staff support to GPEC's economic development efforts as follows:
1. The City shall respond to leads or prospects referred by GPEC in a professional manner within the time frame specified by the lead or prospect if the City desires to compete and if the lead is appropriate for the City. When available, the City agrees to provide its response in the format developed jointly by EDDT and GPEC;
 2. The City shall provide appropriate local hospitality, tours and briefings for prospects visiting sites in the City;
 3. The City shall provide an official economic development representative to represent the City on the EDDT, which advises GPEC's President and CEO;

 5. The City shall use its best efforts to respond to special requests by GPEC for particularized information about the City within three business days after the receipt of such request;
 6. In order to enable GPEC to be more sensitive to the City's requirements, the City shall, at its sole option, deliver to GPEC copies of any City approved economic development strategies, work plan, programs and evaluation criteria. GPEC shall not disclose the same to the other participants in GPEC or their representatives;
 7. The City shall utilize its best good faith efforts to cause an economic development professional representing the City to attend all marketing events and other functions to which the City has committed itself; and
 8. The City agrees to work with GPEC to improve the City's competitiveness and market readiness to support the growth and expansion of the targeted industries as identified for the City in **Exhibit C** ("Targeted Industries").
- B. RECOGNITION OF GPEC:** The City agrees to recognize GPEC as the City's officially designated regional economic development organization for marketing the Greater Phoenix region.

III. ADDITIONAL AGREEMENTS OF THE PARTIES

A. PARTICIPATION IN MARKETING EVENTS AND PROVISION OF TECHNICAL ASSISTANCE: Representative(s) of the City shall be entitled to participate in GPEC's marketing events provided that such participation shall not be at GPEC's expense. When requested and appropriate, GPEC will use its best efforts to provide technical assistance and support to City economic development staff for business location prospects identified and qualified by the City and assist the City with presentations to the prospect in the City or their corporate location.

B. COMPENSATION:

1. The City agrees to pay **\$89,244.00** for services to be provided by GPEC pursuant to the Agreement during the fiscal year ending on June 30, 2014, as set forth in this Agreement. This amount is based on approximately \$.3897 per capita, based upon the 2012 Office of Employment and Population Statistics, Arizona Department of Administration population estimates, which listed the City as having a population of **229,008**. The payment by the City may, upon the mutual and discretionary approval of the board of directors of GPEC and the City Council, be increased or decreased from time to time during the term hereof in accordance with the increases or decreases of general application in the per capita payments to GPEC by other municipalities which support GPEC.
2. Funding of this Agreement shall be subject to the annual appropriations of funds for this activity by the City Council pursuant to the required budget process of the City.
3. Nothing herein shall preclude the City from contracting separately with GPEC for services to be provided in addition to those to be provided hereunder, upon terms and conditions to be negotiated by the City and GPEC.
4. GPEC shall submit invoices for payment on a quarterly basis. The foregoing notwithstanding, if GPEC has not provided the City with the audit required pursuant to paragraph I.E. above no later than December 31, 2013, no payments shall be made hereunder until the City receives the audit report. Invoices and monthly activity reports, substantially in the form of **Exhibit D** ("Reporting Mechanism for Contract Fulfillment") attached hereto, are to be submitted to the address listed under paragraph IV.P.

C. COOPERATION:

1. The parties acknowledge that GPEC is a cooperative organization effort between GPEC and the City. Accordingly, the City and GPEC covenant

and agree to work together in a productive and harmonious working relationship, to cooperate in furthering GPEC's goals for the 2013-2014 fiscal year.

2. The City agrees to work with GPEC, as necessary or appropriate, to revise the performance measures, and/or benchmarks, and/or goals for the FY 2014-2015 contract.
3. The City agrees to work with GPEC during the FY2013-2014 program year to develop a revised public sector funding plan, including a regional allocation formula for FY2014-2015, if determined to be necessary or appropriate.

IV. GENERAL PROVISIONS

- A. COVENANT AGAINST CONTINGENT FEES:** GPEC warrants that no person or selling agent has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. For a breach or violation of this warranty, the City shall have the right to terminate this Agreement without liability or, in its discretion, to deduct the commission, brokerage or contingent fee from its payment to GPEC.
- B. PAYMENT DEDUCTION OFFSET PROVISION:** GPEC recognizes the provisions of the City Code of the City of Glendale which require and demand that no payment be made to any contractor as long as there is any outstanding obligation due to the City, and directs that any such obligation be offset against payment due to GPEC.
- C. ASSIGNMENT PROHIBITED:** No party to this agreement may assign any right or obligation pursuant to this Agreement. Any attempted or purported assignment of any right or obligation pursuant to this Agreement shall be void and no effect.
- D. INDEPENDENT CONTRACTOR; NO AGENCY:** Nothing contained in this Agreement creates any partnership, joint venture or agency relationship between the City and GPEC. At all times during the term of this Agreement, GPEC shall be an independent contractor and shall not be an employee of City. City shall have the right to control GPEC only insofar as to the results of GPEC's services rendered pursuant to this Agreement. GPEC shall have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. GPEC shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.
- E. INDEMNIFICATION AND HOLD HARMLESS:**
 1. During the term of this Agreement, GPEC shall indemnify, defend, hold, protect and save harmless the City and any and all of its Council members, officers and employees from and against any and all actions, suits,

proceedings, claims and demands, loss, liens, costs, expense and liability of any kind and nature whatsoever, for injury to or death of persons, or damage to property, including property owned by City, brought, made, filed against, imposed upon or sustained by the City, its officers, or employees in and arising from or attributable to or caused directly or indirectly by the negligence, wrongful acts, omissions or from operations conducted by GPEC, its directors, officers, agents or employees acting on behalf of GPEC.

2. Any party entitled to indemnity shall notify GPEC in writing of the existence of any claim, demand or other matter to which GPEC's indemnification obligations would apply, and shall give to GPEC a reasonable opportunity to defend the same at its own expense and with counsel reasonably satisfactory to the indemnified party.
3. Nothing in this Subsection E shall be deemed to provide indemnification to any indemnified party with respect to any liabilities arising from the fraud, negligence, omissions or willful misconduct of such indemnified party.

F. INSURANCE: GPEC shall procure and maintain for the duration of this Agreement, at GPEC's own cost and expense, insurance against claims for injuries to persons or damages to property which may arise from or in connection with this Agreement by GPEC, its agents, representatives, employees or contractors, in accordance with the Insurance Requirements set forth in **Exhibit E** ("Insurance Requirements"), attached hereto. The City acknowledges that it has received and reviewed evidence of GPEC's insurance coverage in effect as of the execution of this Agreement.

G. GRATUITIES. The City may, by written notice to GPEC, terminate the right of GPEC to proceed under this Agreement upon one (1) calendar day notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by GPEC, or any agent or representative of GPEC, to any officer or employee of the City with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performance of such contract; provided that the existence of the facts upon which the City makes such findings shall be an issue and may be reviewed in any competent court. In the event of such termination, the City shall be entitled to pursue all legal and equitable remedies against GPEC available to the City.

H. EQUAL EMPLOYMENT OPPORTUNITY. During the performance of this Agreement, GPEC agrees as follows:

1. GPEC will not discriminate against any employee or applicant for employment because of race, color, religion, gender, sexual orientation,

national origin, age or disability. GPEC shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, gender, sexual orientation, national origin, age or disability. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. GPEC agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2. GPEC will, in all solicitations or advertisements for employees place by or on behalf of GPEC, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation, national origin, age or disability.
3. GPEC will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement, provided that the foregoing provisions shall not apply to agreements or subcontracts for standard commercial supplies or new materials.
4. Upon request by the City, GPEC shall provide City with information and data concerning action taken and results obtained in regard to GPEC's Equal Employment Opportunity efforts performed during the term of this Agreement. Such reports shall be accomplished upon forms furnished by the City or in such other format as the City shall prescribe.

I. COMPLIANCE WITH FEDERAL AND STATE LAWS REQUIRED. GPEC understands and acknowledges the applicability of the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989 and agrees to comply therewith in performing under any resultant agreement and to permit City inspection of its records to verify such compliance.

1. GPEC, and on behalf of any subcontractor GPEC has engaged to perform work for the City under this Agreement, warrants, to the extent applicable under A.R.S. § 41-4401, compliance with all applicable federal immigration laws and regulations that relate to its employees as well as compliance with A.R.S. § 23-214(A) which requires registration and participation with the E-Verify Program.
2. GPEC understands and acknowledges that any breach of warranty under subsection I(1) above is considered a material breach of this Agreement and is subject to penalties up to and including termination of this Agreement.
3. The City retains the legal right to inspect the papers of GPEC or any subcontractor who performs work for the City under this Agreement to

ensure that GPEC or any such subcontractor is compliant with the warranty under subsection I(1) above.

4. City may conduct random inspections, and upon request of the City, GPEC shall provide copies of papers and records demonstrating continued compliance with the warranty under subsection I(1) above. GPEC agrees to keep papers and records available for inspection by the City during normal business hours and will cooperate with City in the City's exercise of its statutory duties and not deny access to GPEC's business premises or applicable papers or records for the purposes of enforcement of this subsection.
5. GPEC agrees to incorporate into any subcontracts in performance of work under this Agreement the same obligations imposed upon itself and expressly accrue those obligations directly to the benefit of the City. GPEC also agrees to require any such subcontractor to incorporate into each of its own subcontracts in performance of work under this Agreement the same obligations above and expressly accrue those obligations to the benefit of the City.
6. GPEC's warranty and obligations under this entire subsection I to the City is continuing throughout the term of this Agreement or until such time as the City determines, in its sole discretion, that Arizona law has been modified in that compliance is no longer a requirement.
7. The "E-Verify Program" above means the employment verification program administered by the United States Department of Homeland Security, the Social Security Administration, or any successor program.
8. GPEC certifies, under A.R.S. §§ 35-391 et seq., and 35-393 et seq., that it does not have "scrutinized" business operations, as defined in the preceding statutory sections, in the countries of Sudan or Iran.

The foregoing notwithstanding, in the event of circumstances which render GPEC incapable of providing the services required to be performed hereunder, including,

but not limited to, insolvency or an award of monetary damages against GPEC in excess of its available insurance coverage and assets, the City may immediately and without further notice terminate this Agreement.

- K. RESPONSIBILITY FOR COMPLIANCE WITH LEGAL REQUIREMENTS.** GPEC's performance hereunder shall be in material compliance with all applicable federal, state and local health, environmental, and safety laws, regulations, standards, and ordinances in effect during the performance of this Agreement.
- L. FY13 MILESTONES

California Dreamin'

Capitalized on CA's increase on personal income taxes by targeting CEOs with a CA 50 campaign. The result? A tremendous immediate response – more than 60 calls within the first week – so the campaign was extended to 100 CEOs of qualified companies. GPEC is currently working with approximately 35 CA CEOs who are at the helm of companies ranging in size from 300 to 10,000 employees and represent industries like financial services, manufacturing, life sciences and technology.

Mining Emerging Tech Opportunities

Still in its infancy stage, GPEC is further developing a system to uncover and pursue emerging tech firms that have a viable funding source. Early identification of these enterprises during the capital infusion process, will afford GPEC the chance to grow technologies within the region's innovation ecosystem.

Strong Deal Flow

Through April, GPEC has delivered on several business development metrics including number of jobs, high-wage jobs and average high-wage salary. Year-end projections suggest GPEC will finish strong—among one of the organization's top five job performances in the last decade.

BUSINESS DEVELOPMENT

Create and maintain high-quality jobs and investment through targeted, direct selling

Proactively pursue the best projects that meet community and regional objectives

FY14 ACTION ITEMS

Scale California Initiative

Substantial interest in GPEC's California 100 campaign has translated to more than two dozen companies evaluating Greater Phoenix. As GPEC looks to convert these prospects to locates, we will deploy more resources to California markets and articulate Arizona's business case to executives seeking to leave or expand out of the state.

Mine Opportunities in Chicago

GPEC will expand current efforts in Chicago, increasing our presence and outreach to the market that many Arizonans formerly called home. We will study market similarities and juxtapose those areas in which Greater Phoenix has a solid advantage. GPEC will also recalibrate our messaging, historically designed for site-selectors, and cast a more refined communications net targeted at executives.

Size Up the Competition

GPEC will broaden its normal business development travel to include trips that delve into better understanding industries in the competitor markets of Austin, Salt Lake City, Las Vegas, Dallas and Denver. Austin, for example, has a storied past in technology yet continues to surface in rankings and maintain its reputation as an innovative city. Visits with market experts and research due diligence will help GPEC identify how Greater Phoenix stacks up.

Enhance Approach in China and Launch New International Markets

First introduced as the China Z Corridor Strategy, the China-Arizona Alliance has resulted in effective connections to companies and multipliers in Shanghai and its surrounding cities, which boasts the largest concentration of industries in China. The Alliance comprises Arizona Commerce Authority, Arizona State University, Tucson Regional Economic Opportunities and GreenCardFund. GPEC will continue to develop these relationships through a series of investment forums on doing business in Greater Phoenix, not only in China but also in other foreign markets within Western Europe and Western and Eastern Canada.

Unprecedented D.C. Mission

Record participation from more than 60 civic and business leaders, noteworthy attendance from Arizona's congressional delegation and a first-ever national panel discussion on immigration uniquely defined the 2013 Executive Mission to Washington, D.C. GPEC organized 44 key meetings over the course of three days.

Having the Innovation Conversation

Outcomes from the work of GPEC's Innovation Council included the launch of industry roundtables, which focused on education IT and healthcare IT, bringing increased attention to emerging technology clusters in the region.

COMPETITIVENESS

Guide new, strategic business opportunities through geographic and industry trend analyses

Evaluate targeted, sound economic development programs that enhance regional and state competitiveness

FY14 ACTION ITEMS

Advance the Market Intelligence Program

Following the rollout of our findings from the aerospace and defense analysis and pre-sequestration report, GPEC will continue monitoring this industry to assess the impact from sequestration. GPEC will also expand the market intelligence program to researching information communications technology (ICT). An in-depth look at the region's ICT assets and overall evaluation of industry trends will equip our communities with intelligence beneficial to their respective retention efforts.

Implement a Regional Science and Technology Initiative

Building on the work from FY13, GPEC will coalesce business and community leaders to execute an economic growth plan designed to transform Greater Phoenix into a knowledge-driven economy. The purpose of the initiative is to lead the nation and the world in new technologies and innovation, and ultimately increase the region's prospects for greater prosperity and economic sustainability.

Champion Shifts in Arizona's Competitiveness

GPEC will continue the quest for number one in the Mountain West, and seek the passage of a property tax reclassification tool at the Arizona legislature. Designed to attract export industries, which drive economic growth, this performance-based program will improve GPEC's ability to compete for investments and quality job creation.

Uphold a Compelling Research Model

Over the last several years, GPEC has earned a reputation for our ability to deliver valuable research and analyses to prospective companies, policymakers and business leaders. Incredible PR

Capitalized on key national and international themes, which led to an extraordinary 674-plus million media impressions. Created a first-ever international guide to doing business for foreign companies seeking to invest in the U.S. This comprehensive toolkit, compiled by some of the region's top experts, is available in print and online in English, Chinese and Spanish at www.gpec.org/toolkit.

Striking Gold in the Golden State

Immediately followed passage of CA's Prop 30, which significantly increased personal tax rates on incomes over \$250,000, with a CA 50 campaign targeted at CEOs. GPEC deployed PR, print advertising, email marketing and social media to promote the campaign, offering 50 qualified CA execs a first-rate market overview to evaluate the region for relocation and expansion opportunities. Bridge the Region to International Markets

More so than in years past, GPEC will focus on implementing an international marketing campaign that includes increasing awareness for Greater Phoenix and our market offerings. Go Bigger in Chicago

GPEC will complement business development activity in Chicago with a more direct campaign targeting executives in the Windy City. Through electronic marketing and a potential, strategic media buy, GPEC will hone in on differentiating market characteristics and promote the benefits of doing business in Greater Phoenix

Maintain a High Profile

Media placement for the region and GPEC has been off the charts thanks to more calculated, relevant positions on foreign direct investment (ie, trade and investment with China) and taxes (ie, California's Proposition 30) GPEC will continue to pursue national and international media by developing progressive, fact-based storylines that serve to improve the state and region's brand in outside markets

Recapture the Conversation

GPEC will explore the revival of our "Convening the Community" series in support of our efforts to implement a regional science and technology initiative In 2009, these town-hall type forums drew 800-plus attendees and 12,000 television viewers to an important dialogue on the region and state's competitiveness

Like a whirl of shiny flakes sparkling in a snow globe, Hubble caught this glimpse of many hundreds of thousands of stars moving about in the globular cluster M13, one of the brightest and best-known globular clusters in the northern sky. These stars are packed so closely together in a ball, approximately 150 light-years across, that they will spend their entire lives whirling around in the cluster. Near the core of this cluster, the density of stars is about a hundred times greater than the density in the neighborhood of our sun.
