Obligor, and its officer executing this Contract, are authorized under the Constitution and laws of the State to enter into this Contract and have used and followed all proper procedures of its governing body in executing and delivering this Contract. The officer of Obligor executing this Contract has the authority to execute and deliver this Contract. - (d) Obligor shall use the Equipment only for essential, traditional government purposes.
- (e) Should the IRS disallow the tax-exempt status of the interest portion of the Contract Payments as a result of the failure of the Obligor to use the Equipment for governmental purposes, or should the Obligor cease to be an issuer of tax exempt obligations, or should the obligation of Obligor created under this Contract cease to be a tax exempt obligation for any reason, then Obligor shall be required to pay additional sums to the Obligee or its assignees so as to bring the after tax yield on this Contract to the same level as the Obligee or its assignees would attain if the transaction continued to be tax-exempt.
- (f) Obligor has never non-appropriated funds under a contract similar to this Contract.
- (g) Obligor will submit to the Secretary of the Treasury an information reporting statement as required by the Code.

- (j) Obligor hereby warrants the General Fund of the Obligor is the primary source of funds or a backup source of funds from which the Contract Payments will be made.
- (k) Obligor presently intends to continue this Contract for the Original Term and all Renewal Terms as set forth on Exhibit B hereto. The official of Obligor responsible for budget preparation will include in the budget request for each Budget Year the Contract Payments to become due in such Budget Year, and will use all reasonable and lawful means available to secure the appropriation of money for such Budget Year sufficient to pay the Contract Payments coming due therein. Obligor reasonably believes that moneys can and will lawfully be appropriated and made available for this purpose.
- (l) Obligor has selected both the Equipment and the vendor(s) from whom the Equipment is to be purchased upon its own judgment and without reliance on any manufacturer, merchant, vendor or distributor, or agent thereof, of such equipment to the public.
- (m) Obligor owns free and clear of any liens any additional collateral pledged, subject only to the lien described herein, Obligor has not and will not, during the Contract Term, create, permit, incur or assume any levies, liens or encumbrances of any kind with respect to the Equipment and any additional collateral except those created by this Contract.

Section 2.02 Escrow Agreement. In the event both Obligee and Obligor mutually agree to utilize an Escrow Account, then immediately following the execution and delivery of this Contract, Obligor and Obligor agree to execute and deliver and to cause Escrow Agent to execute and deliver the Escrow Agreement. This Contract shall take effect only upon execution and delivery of the Escrow Agreement by the parties thereto. Obligee shall deposit or cause to be deposited with the Escrow Agent for credit to the Equipment Acquisition Fund the sum of N/A, which shall be held, invested and disbursed in accordance with the Escrow Agreement.

III. Acquisition of Equipment, Contract Payments and the Purchase Option Price

Section 3.01 Acquisition and Acceptance. Obligor shall be solely responsible for the ordering of the Equipment and for the delivery and installation of the Equipment. Execution of the Acceptance Certificate or, alternatively, Payment Request and Equipment Acceptance Form, by a duly authorized representative of Obligor, shall constitute acceptance of the Equipment on behalf of the Obligor.

Section 3.02 Contract Payments. Obligor shall pay Contract Payments exclusively to Obligee or its assignees in lawful, legally available money of the United States of America. The Contract Payments shall be sent to the location specified by the Obligee or its assignees. The Contract Payments shall constitute a current expense of the Obligor and shall not constitute an indebtedness of the Obligor. The Contract Payments, payable without notice or demand, are due as set forth on Exhibit B. Obligee shall have the option to charge interest at the highest lawful rate on any Contract Payment received later than the due date for the number of days that the Contract Payment(s) were late, plus any additional accrual on the outstanding balance for the number of days that the Contract Payment(s) were late. Obligee shall also have the option, on monthly payments only, to charge a late fee of up to 10% of the monthly Contract

Payment that is past due. Furthermore, Obligor agrees to pay any additional fees/costs incurred by Obligees relating to Obligor's requirement that a certain payment mechanism be utilized. Once all amounts due Obligees hereunder have been received, Obligees will release any and all of its rights, title and interest in the Equipment.

SECTION 3 03 Contract Payments Unconditional. Except as provided under Section 4 01, THE OBLIGATIONS OF OBLIGOR TO MAKE CONTRACT PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS CONTAINED IN THIS CONTRACT SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF, OR SUBJECT TO DEFENSE OR COUNTERCLAIM.

Section 3 04 Purchase Option Price. Upon thirty (30) days written notice, Obligor shall have the option to pay, in addition to the Contract Payment, the corresponding Purchase Option Price which is listed on the same line on Exhibit B. This option is only available to the Obligor on the Contract Payment date and no partial prepayments are allowed. If Obligor chooses this option and pays the Purchase Option Price to Obligees then Obligees will transfer any and all of its rights, title and interest in the Equipment to Obligor.

Section 3 05 Contract Term. The Contract Term shall be the Original Term and all Renewal Terms until all the Contract Payments are paid as set forth on Exhibit B except as provided under Section 4 01 and Section 9 01 below. If, after the end of the budgeting process which occurs at the end of the Original Term or any Renewal Term, Obligor has not non-appropriated as provided for in this Contract then the Contract Term shall be extended into the next Renewal Term and the Obligor shall be obligated to make all the Contract Payments that come due during such Renewal Term.

Section 3 06 Disclaimer of Warranties. OBLIGEE MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR ANY OTHER WARRANTY WITH RESPECT TO THE EQUIPMENT. OBLIGEE IS NOT A MANUFACTURER, VENDOR OR DISTRIBUTOR, OR AGENT THEREOF, OF SUCH EQUIPMENT, NOR IS OBLIGEE A MERCHANT OR IN THE BUSINESS OF DISTRIBUTING SUCH EQUIPMENT TO THE PUBLIC. OBLIGEE SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE ARISING OUT OF THE INSTALLATION, OPERATION, POSSESSION, STORAGE OR USE OF THE EQUIPMENT BY OBLIGOR.

IV. Non-Appropriation

Section 4 01 Non-Appropriation. If insufficient funds are available in Obligor's budget for the next Budget Year to make the Contract Payments for the next Renewal Term and the funds to make such Contract Payments are otherwise unavailable by any lawful means whatsoever, then Obligor may non-appropriate the funds to pay the Contract Payments for the next Renewal Term. Such non-appropriation shall be evidenced by the passage of an ordinance or resolution by the governing body of Obligor specifically prohibiting Obligor from performing its obligations under this Contract and from using any moneys to pay the Contract Payments due under this Contract for a designated Budget Year and all subsequent Budget Years. If Obligor non-appropriates, then all obligations of the Obligor under this Contract regarding Contract Payments for all remaining Renewal Terms shall be terminated at the end of the then current Original Term or Renewal Term without penalty or liability to the Obligor of any kind provided that if Obligor has not delivered possession of the Equipment to Obligees as provided herein and conveyed to Obligees or released its interest in the Equipment by the end of the last Budget Year for which Contract Payments were paid, the termination shall nevertheless be effective but Obligor shall be responsible for the payment of damages in an amount equal to the amount of the Contract Payments thereafter coming due under Exhibit B which are attributable to the number of days after such Budget Year during which Obligor fails to take such actions and for any other loss suffered by Obligees as a result of Obligor's failure to take such actions as required. Obligor shall immediately notify the Obligees as soon as the decision to non-appropriate is made. If such non-appropriation occurs, then Obligor shall deliver the Equipment to Obligees as provided below in Section 9 04. Obligor shall be liable for all damage to the Equipment other than normal wear and tear. If Obligor fails to deliver the Equipment to Obligees, then Obligees may enter the premises where the Equipment is located and take possession of the Equipment and charge Obligor for costs incurred. If Obligor non-appropriates under this section, then Obligor shall not purchase, lease or rent Equipment performing same or similar functions to those performed by the Equipment for a period of 360 days unless otherwise prohibited by public policy considerations.

V. Insurance, Damage, Insufficiency of Proceeds

Section 5 01 Insurance. Obligor shall maintain both casualty insurance and liability insurance at its own expense with respect to the Equipment. Obligor shall be solely responsible for selecting the insurer(s) and for making all premium payments and ensuring that all policies are continuously kept in effect during the period when Obligor is required to make Contract Payments. Obligor shall provide Obligees with a Certificate of Insurance which lists the Obligees and/or assigns as a loss payee and an additional insured on the policies with respect to the Equipment.

- (a) Obligor shall insure the Equipment against any loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Obligees in an amount at least equal to the then applicable Purchase Option Price of the Equipment. Alternatively, Obligor may insure the Equipment under a blanket insurance policy or policies.
- (b) The liability insurance shall insure Obligees from liability and property damage in any form and amount satisfactory to Obligees.
- (c) Obligor may self-insure against the casualty risks and liability risks described above. If Obligor chooses this option, Obligor must furnish Obligees with a certificate and/or other documents which evidences such coverage.
- (d) All insurance policies issued or affected by this Section shall be so written or endorsed such that the Obligees and its assignees are named additional insureds and loss payees and that all losses are payable to Obligor and Obligees or its assignees as their interests may appear. Each policy issued or affected by this Section shall contain a provision that the insurance company shall not cancel or materially modify the policy without first giving thirty (30) days advance notice to Obligees or its assignees. Obligor shall furnish to Obligees certificates evidencing such coverage throughout the Contract Term.

Section 5 02 Damage to or Destruction of Equipment. Obligor assumes the risk of loss or damage to the Equipment. If the Equipment or any portion thereof is lost, stolen, damaged, or destroyed by fire or other casualty, Obligor will immediately report all such losses to all possible insurers and take the proper procedures to obtain all insurance proceeds. At the option of Obligees, Obligor shall either (1) apply the Net Proceeds to replace, repair or restore the Equipment or (2) apply the Net Proceeds to the applicable Purchase Option Price. For purposes of this Section and Section 5 03, the term Net Proceeds shall mean the amount of insurance proceeds collected from all applicable insurance policies after deducting all expenses incurred in the collection thereof.

Section 5 03 Insufficiency of Net Proceeds. If there are no Net Proceeds for whatever reason or if the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement of the Equipment, then Obligor shall, at the option of Obligees, either (1) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds or (2) apply the Net Proceeds to the Purchase Option Price and pay the deficiency, if any, to the Obligees.

Section 5 04 Obligor Negligence. Obligor assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Equipment and for injury to or death of any person or damage to any property whether such injury or death be with respect to agents or employees of Obligor or of third parties, and whether such property damage be to Obligor's property or the property of others (including, without limitation, liabilities for loss or damage related to the release or threatened release of hazardous substances under the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act or similar or successor law or any State or local equivalent now existing or hereinafter enacted which in any manner arise out of or are incident to any possession, use, operation, condition or storage of any Equipment by Obligor), which is proximately caused by the negligent conduct of Obligor, its officers, employees and agents.

Section 5 05 Indemnification. Obligor hereby assumes responsibility for and agrees to reimburse Obligees for all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorneys' fees) of whatsoever kind and nature, imposed on, incurred by or asserted against Obligees that in any way relate to or arise out of a claim, suit or proceeding, based in whole or in part upon the negligent conduct of Obligor, its officers, employees and agents, or arose out of installation, operation, possession, storage or use of any item of the Equipment, to the maximum extent permitted by law.

VI. Title and Security Interest

Section 6 01 Title. To the extent permitted under State law, title to the Equipment shall vest in Obligor when Obligor acquires and accepts the Equipment. Title to the Equipment will automatically transfer to the Obligees in the event Obligor non-appropriates under Section 4 01 or in the event Obligor defaults under Section 9 01. In such event, Obligor shall execute and deliver to Obligees such documents as Obligees may request to evidence the passage of legal title to the Equipment to Obligees.

Section 6 02 Security Interest. To secure the payment of all Obligor's obligations under this Contract, as well as all other obligations, debts and liabilities, plus interest thereon, whether now existing or subsequently created, Obligor hereby grants to Obligees a security interest under the Uniform Commercial Code constituting a first lien on the Equipment described more fully on Exhibit A, including any and all additional collateral listed on any other Exhibit A. The security interest established by this section includes not only all additions, attachments, repairs and replacements to the Equipment but also all proceeds therefrom. Obligor authorizes Obligees to prepare and record any Financing Statement required under the Uniform Commercial Code to perfect the security interest created hereunder. Obligor agrees that any Equipment listed on Exhibit A is and will remain personal property and will not be considered a fixture even if attached to real property.

VII. Assignment

Section 7 01 Assignment by Obligees. All of Obligees's rights, title and/or interest in and to this Contract may be assigned and reassigned in whole or in part to one or more assignees or sub-assignees by Obligees at any time without the consent of Obligor. No such assignment shall be effective as against Obligor until the assignor shall have filed with Obligor written notice of assignment identifying the assignee. Obligor shall pay all Contract Payments due hereunder relating to such Equipment to or at the direction of Obligees or the assignee named in the notice of assignment. Obligor shall keep a complete and accurate record of all such assignments.

Section 7 02 Assignment by Obligor. None of Obligor's right, title and interest under this Contract and in the Equipment may be assigned by Obligor unless Obligees approves of such assignment in writing before such assignment occurs and only after Obligor first obtains an opinion from nationally recognized counsel stating that such assignment will not jeopardize the tax-exempt status of the obligation.

VIII Maintenance of Equipment

Section 8 01 Equipment. Obligor shall keep the Equipment in good repair and working order, and as required by manufacturer's and warranty specifications. If Equipment consists of copiers, Obligor is required to enter into a copier maintenance/service agreement. Obligor shall have no obligation to inspect, test, service, maintain, repair or make improvements or additions to the Equipment under any circumstances. Obligor will be liable for all damage to the Equipment, other than normal wear and tear, caused by Obligor, its employees or its agents. Obligor shall pay for and obtain all permits, licenses and taxes necessary for the installation, operation, possession, storage or use of the Equipment. If the Equipment includes any titled vehicle(s), then Obligor is responsible for obtaining such title(s) from the State and also for ensuring that Obligor is listed as First Lienholder on all of the title(s). Obligor shall not use the Equipment to haul, convey or transport hazardous waste as defined in the Resource Conservation and Recovery Act, 42 U.S.C. 6901 et seq. Obligor agrees that Obligor or its Assignee may execute any additional documents including financing statements, affidavits, notices, and similar instruments, for and on behalf of Obligor which Obligor deems necessary or appropriate to protect Obligor's interest in the Equipment and in this Contract. Obligor shall allow Obligor to examine and inspect the Equipment at all reasonable times.

IX. Default

Section 9 01 Events of Default defined. The following events shall constitute an "Event of Default" under this Contract:

- (a) Failure by Obligor to pay any Contract Payment listed on Exhibit B for fifteen (15) days after such payment is due according to the Payment Date listed on Exhibit B.
- (b) Failure to pay any other payment required to be paid under this Contract at the time specified herein and a continuation of said failure for a period of fifteen (15) days after written notice by Obligor that such payment must be made. If Obligor continues to fail to pay any payment after such period, then Obligor may, but will not be obligated to, make such payments and charge Obligor for all costs incurred plus interest at the highest lawful rate.
- (c) Failure by Obligor to observe and perform any warranty, covenant, condition, promise or duty under this Contract for a period of thirty (30) days after written notice specifying such failure is given to Obligor by Obligor, unless Obligor agrees in writing to an extension of time. Obligor will not unreasonably withhold its consent to an extension of time if corrective action is instituted by Obligor. Subsection (c) does not apply to Contract Payments and other payments discussed above.
- (d) Any statement, material omission, representation or warranty made by Obligor in or pursuant to this Contract which proves to be false, incorrect or misleading on the date when made regardless of Obligor's intent and which materially adversely affects the rights or security of Obligor under this Contract.
- (e) Any provision of this Contract which ceases to be valid for whatever reason and the loss of such provision would materially adversely affect the rights or security of Obligor.
- (f) Except as provided in Section 4 01 above, Obligor admits in writing its inability to pay its obligations.
- (g) Obligor defaults on one or more of its other obligations.
- (h) Obligor becomes insolvent, is unable to pay its debts as they become due, makes an assignment for the benefit of creditors, applies for or consents to the appointment of a receiver, trustee, conservator, custodian, or liquidator of Obligor, or all or substantially all of its assets, or a petition for relief is filed by Obligor under federal bankruptcy, insolvency or similar laws, or is filed against Obligor and is not dismissed within thirty (30) days thereafter.

Section 9 02 Remedies on Default. Whenever any Event of Default exists, Obligor shall have the right to take one or any combination of the following remedial steps:

- (a) With or without terminating this Contract, Obligor may declare all Contract Payments and other amounts payable by Obligor hereunder to the end of the then current Budget Year to be immediately due and payable.
- (b) With or without terminating this Contract, Obligor may require Obligor at Obligor's expense to redeliver any or all of the Equipment and any additional collateral to Obligor as provided below in Section 9 04. Such delivery shall take place within fifteen (15) days after the Event of Default occurs. If Obligor fails to deliver the Equipment and any additional collateral, Obligor may enter the premises where the Equipment and any additional collateral is located and take possession of the Equipment and any additional collateral and charge Obligor for cost incurred. Notwithstanding that Obligor has taken possession of the Equipment and any additional collateral, Obligor shall still be obligated to pay the remaining Contract Payments due up until the end of the then current Original Term or Renewal Term. Obligor will be liable for any damage to the Equipment and any additional collateral caused by Obligor or its employees or agents.
- (c) Obligor may take whatever action at law or in equity that may appear necessary or desirable to enforce its rights. Obligor shall be responsible to Obligor for all costs incurred by Obligor in the enforcement of its rights under this Contract including, but not limited to, reasonable attorney fees.

Section 9 03 No Remedy Exclusive. No remedy herein conferred upon or reserved to Obligor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or shall be construed to be a waiver thereof.

Section 9 04 Return of Equipment and Storage.

- (a) **Surrender.** The Obligor shall, at its own expense, surrender the Equipment, any Additional Collateral and all required documentation to evidence transfer of title from Obligor to the Obligor in the event of a default or a non-appropriation by delivering the Equipment and any Additional Collateral to the Obligor to a location accessible by common carrier and designated by Obligor. In the case that any of the Equipment and any Additional Collateral consists of software, Obligor shall destroy all intangible items constituting such software and shall deliver to Obligor all tangible items constituting such software. At Obligor's request, Obligor shall also certify in a form acceptable to Obligor that Obligor has complied with the above software return provisions and that they will immediately cease using the software and that they shall permit Obligor and/or the vendor of the software to inspect Obligor's locations to verify compliance with the terms hereto.
- (b) **Delivery.** The Equipment and any Additional Collateral shall be delivered to the location designated by the Obligor by a common carrier unless the Obligor agrees in writing that a common carrier is not needed. When the Equipment and any Additional Collateral is delivered into the custody of a common carrier, the Obligor shall arrange for the shipping of the item and its insurance in transit in accordance with the Obligor's instructions and at the Obligor's sole expense. Obligor at its expense shall completely sever and disconnect the Equipment and any Additional Collateral or its component parts from the Obligor's property all without liability to the Obligor. Obligor shall pack or crate the Equipment and any Additional Collateral and all of the component parts of the Equipment and any Additional Collateral carefully and in accordance with any recommendations of the manufacturer. The Obligor shall deliver to the Obligor the plans, specifications, operation manuals or other warranties and documents furnished by the manufacturer or vendor on the Equipment and any Additional Collateral and such other documents in the Obligor's possession relating to the maintenance and methods of operation of such Equipment and any Additional Collateral.
- (c) **Condition.** When the Equipment is surrendered to the Obligor it shall be in the condition and repair required to be maintained under this Contract. It will also meet all legal regulatory conditions necessary for the Obligor to sell or lease it to a third party and be free of all liens. If Obligor reasonably determines that the Equipment or an item of the Equipment, once it is returned, is not in the condition required hereby, Obligor may cause the repair, service, upgrade, modification or overhaul of the Equipment or an item of the Equipment to achieve such condition and upon demand, Obligor shall promptly reimburse Obligor for all amounts reasonably expended in connection with the foregoing.
- (d) **Storage.** Upon written request by the Obligor, the Obligor shall provide free storage for the Equipment and any additional collateral for a period not to exceed 60 days after the expiration of the Contract Term before returning it to the Obligor. The Obligor shall arrange for the insurance described to continue in full force and effect with respect to such item during its storage period and the Obligor shall reimburse the Obligor on demand for the incremental premium cost of providing such insurance.
