Each Library Account and End User further acknowledges and agrees that it has not acquired, and shall not acquire (whether by operation of law, by this License Agreement, by downloading any Digital Content, or otherwise), any right, title, interest or ownership in or to the Owned Content or the Licensed Content or any part thereof. The term for each Library Account's access to the Zinio service shall be for a period of twelve (12) months, unless otherwise agreed by Recorded Books and such Library Account. Such Library Account obtains certain rights and access to use the Digital Content and Zinio service for the term of its agreement with Recorded Books. In the event of a breach of any of its obligations, including but not limited to non-payment or late payment for services, each Library Account shall have thirty (30) days from the receipt of written notice of such breach from Recorded Books to cure such breach. If the Library Account fails to remedy such breach within such 30-day period, Recorded Books may, at its option and in its sole discretion, terminate its agreement with such Library Account upon written notice to such Library Account and/or temporarily or permanently suspend such Library Account's access to the Zinio service.

In the event that a court of competent jurisdiction determines that any portion of this License Agreement is unenforceable, void, invalid or inoperative, the remaining provisions of this License Agreement shall not be affected and shall continue in effect as though such invalid provisions were deleted.

Neither Recorded Books nor the licensors of the Licensed Content will be liable or deemed to be in default of this License Agreement for any delays or failure in performance resulting directly or indirectly from any cause or circumstance beyond its reasonable control, including but not limited to acts of God, war, riot, embargoes, acts of civil or military authority, rain, fire, flood, accidents, earthquake(s), strikes or labor shortages, transportation facility shortages, failures of equipment, or failures of the Internet.
