**AGREEMENT
BETWEEN
THE CITY OF GLENDALE, ARIZONA
AND
EXHIBIT ONE**

THIS AGREEMENT (this "Agreement") is entered into as of FEBRUARY 27, 2014, between the City of Glendale, an Arizona municipal corporation (the "City"), and ExhibitOne Corporation ("Contractor"), an Arizona corporation, hereafter, the "Parties."

RECITALS

A. After a bid solicitation in 2012, ADSPO12-00001903, the State of Arizona entered into Audio and Video Equipment Services Contract, ADSPO12-032708 with Contractor (the "Services Agreement"), which is incorporated by this reference.

B. The City is permitted to purchase the services under the Services Agreement without further public bidding, and the Services Agreement permits its cooperative use by other governmental agencies, including the City.

C. Section 2-149 of the City's Procurement Code permits the Materials Manager to authorize procurement through the use of a contract initiated by another governmental entity when that government entity's procurement actions complied with the intent of the City's purchasing procedures in City Code Sections 2-145 and 2-146 and such purchase is in the best interest of the City. The City believes these conditions are met for purposes of the Services Agreement.

D. The City desires to contract with Contractor for supplies, goods or services that are described and priced under the Services Agreement and that Contractor is eligible to provide the State of Arizona under the Services Agreement. Pursuant to the terms of the Services Agreement, Contractor consents to the City's utilization of the Services Agreement as the basis of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, and the covenants and promises contained herein, the parties hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall terminate upon expiration of the 5-year E1 Care Warranties on the Court House System and Parking Garage System. The Warranties will become effective upon Glendale's written acceptance of the project and continue for five years.

2. Scope of Work; Terms, Conditions, and Specifications.
 - a) Contractor shall provide City the supplies, goods or services Contractor is eligible to provide the State of Arizona under the Services Agreement, subject to its terms, conditions and pricing.
 - b) Each party agrees to comply with all the terms, conditions and specifications of the Services Agreement applicable to the respective parties for the purposes of this Agreement which terms, conditions, and specifications are incorporated herein by this reference. The “City of Glendale” shall be substituted for “State of Arizona” or similar reference to the State of Arizona throughout the Services Agreement.
3. Compensation. City shall pay Contractor the same compensation the State of Arizona pays Contractor under the Services Agreement, which pricing is reflected on Exhibit A, “City of Glendale Court – Security System” and “City of Glendale Court – Security System Warranty,” attached and incorporated herein. In addition, the total purchase price for the goods and services described in Exhibit A to this Agreement shall not exceed Seventy Six Thousand Eight Hundred Eighty Three Dollars (\$76,883).
4. Payments. The City shall pay Contractor in the name of ExhibitOne Corporation.
5. Cancellation. This Agreement may be cancelled pursuant to the Services Agreement, including any statutory rights referenced therein and subject to the terms of the Services Agreement.
