GOING AWAY

**PROBLEM IDENTIFICATION AND RESOLUTION:****Agency Background:**

The Glendale Police Department comprises approximately 400 sworn officers and 140 civilians serving a population of over 228,000 residents whose median age is 32.2 years. State Highway 101 (The "Loop" or Agua Fria Freeway) enters the City of Glendale at West Camelback Road near 99th Avenue and exits 10 miles later at North 51st Avenue. U.S. Highway 60 (Grand Avenue) enters the city of Glendale at its southeast corner, at the intersection of North 43rd Avenue and West Camelback Road, and proceeds northwest for approximately 5.5 miles to the border of a our neighbor city on the northwest, Peoria, Arizona. There are over 800 miles of paved roadway in Glendale, which currently encompasses 58.15 square miles. The City of Phoenix borders Glendale at West Camelback Road in the south, and along North 43 and 51 Avenues on the east. South of West Northern Avenue, Glendale extends west past Luke Air Force Base and shares irregular boundaries with unincorporated areas of Maricopa County. In the north, Glendale's neighbor to the west is Peoria, with borders along 67, 79 and 83 Avenues, traveling progressively north.

The City of Glendale is the fourth largest city is the commercial, industrial, and educational hub of the northwest Phoenix metropolitan area. Currently, Glendale has an ever-growing estimated population of 230,000 people; with over 95,000 households. The City of Glendale is the home of the Phoenix Coyotes and Arizona Cardinals professional sports teams, as well as the new Camelback Ranch Major League Baseball Training Facility, home of the Los Angeles Dodgers, and Chicago White Sox. The City of Glendale has approximately 70 square miles of roadway that consist of residential streets, main arterial roadways, and several miles of freeway. Glendale has a 14 mile stretch of the Loop 101 Agua Fria Freeway that borders our north and west portion of the city and the entertainment districts.

**Agency Problem:**

The Glendale Police Department proposal is requesting grant funding for the purchase of Capital Outlay: One (1) DUI Enforcement Vehicle – Fully-Equipped Marked Patrol Truck. The Glendale Police Department will utilize capital outlay equipment for DUI enforcement throughout the City of Glendale. The Glendale Police Department continues to implement enforcement that stems from impaired driving due to alcohol; and will continue its contribution to the DUI Task Force, which promotes roadway safety throughout the City of Glendale.

**Agency Attempts to Solve Problem:**

With the increased number of drivers that travel on Glendale roadways each day, the expansion of the city of Glendale, and the higher number of entertainment districts the Glendale Police Department has seen an increase in DUI violations and alcohol impaired drivers. The Glendale Police Department implemented a full-time DUI enforcement squad in March, 2004; and has since increased the squad from the initial 3 officers to a full squad of 7 with a dedicated sergeant to oversee the operations. The Glendale Police Department has increased DUI arrests in the last seven years. With the addition of a mobile DUI processing van in 2006, this has assisted in a faster processing time of impaired drivers, which allows Glendale Police officers to get back on the road to continue with DUI enforcement.

**Agency Funding:**

Federal 164 funds will support Capital Outlay: One (1) DUI/Alcohol Enforcement Vehicle – Fully-Equipped Marked Patrol Truck, to enhance DUI Enforcement throughout the City of Glendale. The total amount of funding for this contract will include 75% GOHS 164 funds, 15% GOHS 405d funds, and 10% GOHS 402– PT funds will support and/or enhance DUI/Alcohol enforcement activities.

**How Agency Will Solve Problem With Funding:**

The Glendale Police Department will purchase One (1) DUI Enforcement Vehicle – Fully-Equipped Marked Patrol Truck to be utilized for DUI Enforcement. The Glendale Police Department will continue to increase the public's awareness associated with the dangers of drinking and driving.

- B. If AGENCY fails or refuses to comply with its undertaking as set forth in these provisions, STATE or the USDOT may take any or all of the following actions.
1. Cancel, terminate, or suspend, in whole or in part, the agreement, contract, or other arrangement with respect to which the failure or refusal occurred; and
  2. Refrain from extending any further Federal financial assistance to AGENCY under the Highway Safety Program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from AGENCY.
- C. Pursuant to the requirement of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), AGENCY must operate this Highway Safety Project so that it is accessible and otherwise non-discriminatory to handicapped persons.

**XIV. Minority Business Enterprises (MBE) Policy and Obligation**

- A. Policy: It is the policy of the USDOT that minority business enterprises as defined in 49 CFR, Part 23, will have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this Contract. In the event no funds are appropriated by the U.S. Congress or no funds are allocated for the project proposed herein for subsequent fiscal years, this Contract will be null and void, except as to that portion for which funds have then been appropriated or allocated to this project, and no right of action or damages will accrue to the benefit of the parties hereto as to that portion of the Contract or project that may so become null and void.

**XVIII. Continuation of Highway Safety Program**

It is the intention of AGENCY to continue the Highway Safety Program identified in this Contract once Federal funding is completed. This intended continuation will be based upon cost effectiveness and an evaluation by AGENCY of the program's impact on highway safety.

**XIX. E-Verify**

Both Parties warrant that they have registered with and participate with E-Verify. If either Party later determines that the other non-compliant Party has not complied with E-Verify, it will notify the non-compliant Party by certified mail of the determination and of the right to appeal the determination.

- D. AGENCY may terminate or abandon this Contract upon thirty (30) days written notice to STATE, provided there is subsequent concurrence by STATE. Termination or abandonment by AGENCY will provide that costs can be incurred against the project up to and including sixty (60) days after notice is given to STATE.
- E. Any equipment or commodities which have been purchased as a part of this Contract and which have not been consumed or reached the end of its useful life will be returned to STATE upon its written request.
