This amendment ("Amendment") is entered into between the parties identified on the attached program signature form. It amends the Enrollment or Agreement identified above. All terms used but not defined in this Amendment will have the same meanings provided in that Enrollment or Agreement.

Preamble

"Enrolled Affiliate has agreed to migrate applications and/or workloads currently deployed on paid, commercial non-SQL third party relational database platform to Microsoft SQL Server. As consideration for this commitment, Microsoft will provide Enrolled Affiliate with special pricing under the SQL Server Competitive Migration Offer outlined below.

The parties agree that the Enrollment is amended as follows:

1. **SQL Server Competitive Migration Offer.** Enrolled Affiliate has defined specific number of cores for applications / workloads which will be migrated to Microsoft SQL Server over the term of this Enrollment as outlined in Table 1:

Table 1:

Workload / Application	Current Database Product Name	Current Edition	Product	Current Licensing Requirements
Intergraph/WebRMS	Oracle	11g		12 Cores

Microsoft agrees to provide discounted L&SA SQL Server Standard and/or Enterprise edition core licenses required to run the aforementioned applications / workloads in exchange for customer's commitment to complete the migration of applications in Table 2 within the term of this Enrollment. The discounted core licenses can be only used to run workloads / applications specified in Table 1 during the term of the enrollment.

Table 2:

Workload / Application	SQL Server Edition Required	SQL Server Cores Required	SKU NAME
Intergraph/WebRMS	SQL Server Enterprise Cores	16	SQLSvrEntCore ALNG LicSAPk MVL 2Lic Migrtn CoreLic

2. **Proof of migration.** Customer is required to maintain proof of migrating of the workloads specified in Table 2 to SQL Server. Microsoft reserves the right to request validation of migration completion either using the Microsoft MAPs toolkit or any equivalent software. If a customer fails to perform the migration within the term of the current Enrollment, Microsoft reserves the right to void these core licenses.

Microsoft intends that the Competitive Migration Offer described in this Amendment will fully comply with all applicable gift, ethics and other laws and regulations related to gratuitous goods and services.

Microsoft intends that the Competitive Migration Offer shall be for the sole benefit and use of Enrolled Affiliate and not for the personal use or benefit of any of Enrolled Affiliate's individual employees.

Except for changes made by this Amendment, the Enrollment or Agreement identified above remains unchanged and in full force and effect. If there is any conflict between any provision in this Amendment and any provision in the Enrollment or Agreement identified above, this Amendment shall control.

This Amendment must be attached to a signature form to be valid.
