## INTERGOVERNMENTAL AGREEMENT

BETWEEN  
THE STATE OF ARIZONA  
AND  
CITY OF GLENDALE

**THIS AGREEMENT** is entered into this date November 19<sup>th</sup> 2014 pursuant to the Arizona Revised Statutes §§ 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and the CITY OF GLENDALE, acting by and through its MAYOR and CITY COUNCIL (the "City") The State and the City are collectively referred to as "Parties"

### I. RECITALS

1 The State is empowered by Arizona Revised Statutes § 28-401 to enter into this Agreement and has delegated to the undersigned the authority to execute this Agreement on behalf of the State

2 The City is empowered by Arizona Revised Statutes § 48-572 to enter into this Agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this Agreement and has authorized the undersigned to execute this Agreement on behalf of the City

3 The work proposed under this Agreement consists of construction/installation of 2.5 miles of conduit, 3 miles of fiber optic cable, communications equipment at eight (8) intersections and CCTV cameras and at seven (7) intersections along Olive, Northern and 51<sup>st</sup> Avenues, hereinafter referred to as the "Project" The City will provide the design and the State will review the design, advertise, bid, award and administer the construction/installation of the Project The plans, estimates and specifications for the Project will be prepared and, as required, submitted to the State and Federal Highway Administration (FHWA) for its approval

4 The City, in order to obtain federal funds for the construction/installation of the Project, is willing to provide City funds to match federal funds in the ratio required or as finally fixed and determined by the City and FHWA, including actual construction engineering and administration costs (CE)

5 The interest of the State in this Project is the acquisition of federal funds for the use and benefit of the City and to authorize such federal funds for the Project pursuant to federal law and regulations The State shall be the designated agent for the City

---

6 The Parties shall perform their responsibilities consistent with this Agreement and any change or modification to the Project will only occur with the mutual written consent of both Parties

7 The federal funds will be used for the construction/installation of the Project, including the construction engineering and administration cost (CE) The estimated Project costs are as follows

**SZ141 01D (ADOT Project Management & Design Review (PMDR) Cost, non-federal-aid):**

PMDR costs*	<b>\$ 30,000.00</b>

**SZ141 01C (construction)**

Federal-aid funds @ 94.3%	<b>\$ 904,728.00</b>
City's match @ 5.7%	<b><u>\$ 54,687.00</u></b>

<b>Total Estimated City Funds</b>	<b>\$ 84,687.00</b>
<b>Total Federal Funds</b>	<b>\$ 904,728.00</b>

<b>TOTAL Estimated Project Costs**</b>	<b>\$ 989,415.00</b>
--	----------------------

\* (Included in the City's estimated funds)

\*\* (Includes 15% CE and 5% Project contingencies)

The Parties acknowledge that the final Project costs may exceed the initial estimate(s) shown above, and in such case, the City is responsible for, and agrees to pay, any and all eventual, actual costs exceeding the initial estimate. If the final bid amount is less than the initial estimate, the difference between the final bid amount and the initial estimate will be de-obligated or otherwise released from the Project. The City acknowledges it remains responsible for, and agrees to pay according to the terms of this Agreement, any and all eventual, actual costs exceeding the final bid amount.

**THEREFORE**, in consideration of the mutual agreements expressed herein, it is agreed as follows:

**II. SCOPE OF WORK**

1 The State will

a Upon execution of this Agreement, be the designated agent for the City, if the Project is approved by FHWA and funds for the Project are available

b Upon execution of this Agreement, and prior to performing or authorizing any work, invoice the City for the initial PMDR costs, currently estimated at **\$30,000.00**. If, during the development of the design, additional funding from the City is required, the State will invoice the City in increments of \$5,000.00 to cover projected PMDR costs. Once the Project costs have been finalized, the State will either invoice or reimburse the City for the difference between estimated and actual design review costs.

c Upon receipt of the initial PMDR costs, review the design plans, specifications and other such documents and provide services required for the construction bidding and construction administration of the Project and provide comments to the City, as appropriate.

d Upon completion of design and prior to bid advertisement, invoice the City for the City's share of the Project construction costs, currently estimated at **\$54,687.00**. Once the Project costs have been finalized, the State will either invoice or reimburse the City for the difference between estimated and actual Project construction/installation costs

e Upon receipt of the City's estimated share of the Project construction/installation costs, submit all documentation required to FHWA with the recommendation that funding be approved for construction. Request the maximum programmed federal funds for the construction of this Project. Should costs exceed the maximum federal funds available, it is understood and agreed that the City will be responsible for any overage.

f Upon FHWA authorization and with the aid of the City, proceed to advertise for, receive and open bids, subject to the concurrence of the City to whom the award is made, and enter into a contract(s) with a firm(s) for the construction of the Project.

g Be granted, without cost requirements, the right to enter City right-of-way as required to conduct any and all construction and pre-construction related activities for said Project, including without limitation, temporary construction easements or temporary rights of entry on to and over said rights-of-way of the City.

h Notify the City that the Project has been completed and is considered acceptable, coordinating with the City as appropriate to turn over full responsibility of the Project improvements. De-obligate or otherwise release any remaining federal funds from the construction phase of the Project within ninety (90) days of final acceptance.

i Not be obligated to maintain said Project, should the City fail to budget or provide for proper and perpetual maintenance as set forth in this Agreement.

## 2 The City will

a Upon execution of this Agreement, designate the State as authorized agent for the City.

b Upon execution of this Agreement, prior to the State performing or authorizing any work and within thirty (30) days of receipt of an invoice from the State, pay the initial PMDR costs, currently estimated at **\$30,000.00**. If, during the development of the design, additional funding to cover PMDR costs is required, pay the invoiced amount to the State within thirty (30) days of receipt. Be responsible for any difference between the estimated and actual design review and construction costs.

c Prepare and provide the design plans, specifications and other such documents and services required for bidding and construction/installation of the Project and incorporate comments from the State as appropriate.

d Enter into an agreement with the design consultant which states that the design consultant shall provide professional post-design services as required and requested throughout and upon completion of the construction phase of the Project.

e Upon completion of design, within thirty (30) days of receipt of an invoice from the State and prior to bid advertisement, remit to the State, the City's Project construction/installation costs, currently estimated at **\$54,687.00**. Once the Project costs have been finalized, the State will either invoice or reimburse the City for the difference between estimated and actual costs.

f Be responsible for all costs incurred in performing and accomplishing the work as set forth under this Agreement, not covered by federal funding. Should costs be deemed ineligible or exceed the maximum federal funds available, it is understood and agreed that the City is responsible for these costs, payment for these costs shall be made within thirty (30) days of receipt of an invoice from the State.

g Be obligated to incur any expenditure should unforeseen conditions or circumstances increase the cost of said work required by a change in the extent of scope of the work requested by the City. Such changes require the prior approval of the State and FHWA. Be responsible for any contractor claims for additional compensation caused by Project delays, payment for these costs shall be made within thirty (30) days of receipt of an invoice from the State.

h Certify that all necessary rights-of-way have been or will be acquired prior to advertisement for bid and also certify that all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the Project area, shall be removed from the proposed right-of-way, or will be removed prior to the start of construction, in accordance with The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended, 49 CFR 24.102 Basic Acquisition Policies, 49 CFR 24.4 Assurances, Monitoring and Corrective Action, parts (a) & (b) and ADOT ROW Manual 8.02 Responsibilities, 8.03 Prime Functions, 9.07 Monitoring Process and 9.08 Certification of Compliance. Coordinate with the appropriate State's Right-of-Way personnel during any right-of-way process performed by the City, if applicable.

i Not permit or allow any encroachments upon or private use of the right-of-way, except those authorized by permit. In the event of any unauthorized encroachment or improper use, the City shall take all necessary steps to remove or prevent any such encroachment or use.

j Grant the State, its agents and/or contractors, without cost, the right to enter City rights-of-way, as required, to conduct any and all construction and preconstruction related activities, including without limitation, temporary construction easements or temporary rights of entry to accomplish among other things, soil and foundation investigations.

k Upon completion of the construction phase of the Project, provide an electronic version of the as-built plans to Arizona Department of Transportation Statewide/Urban Project Management Group Section.

l Upon notification of Project completion, from the State, agree to accept, maintain and assume full responsibility of the Project in writing.

### **III. MISCELLANEOUS PROVISIONS**

1 The terms, conditions and provisions of this Agreement shall remain in full force and effect until completion of said Project, including related deposits and/or reimbursements. Any provisions for maintenance/electrical power shall be perpetual by the City. This Agreement may be cancelled at any time prior to advertisement of the project construction contract, upon thirty (30) days written notice to the other Party. It is understood and agreed that, in the event the City terminates this Agreement, the City will be responsible for all costs incurred by the State up to the time of termination. It is further understood and agreed that should the City terminate this Agreement, the State shall in no way be obligated to maintain said Project.

2 The State assumes no financial obligation or liability under this Agreement, or for any resulting construction Project. The City, in regard to the City's relationship with the State only, assumes full responsibility for the design, plans, specifications, reports, the engineering in connection therewith and the construction of the improvements contemplated, cost over-runs and construction claims. It is understood and agreed that the State's participation is confined solely to securing federal aid on behalf of the City and the fulfillment of any other responsibilities of the State as specifically set forth herein, that

any damages arising from carrying out, in any respect, the terms of this Agreement or any modification thereof shall be solely the liability of the City and that to the extent permitted by law, the City hereby agrees to save and hold harmless, defend and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all liability, costs and/or damage incurred by any of the above arising or resulting from this Agreement, and from any other liability, damage to any person or property whatsoever, which is caused by any activity, condition, misrepresentation, directives, instruction or event arising out of the performance or non-performance of any provisions of this Agreement by the State, any of its departments, agencies, officers and employees, or its independent contractors, the City, any of its agents, officers and employees, or its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, and expenses of litigation and attorneys' fees.

3 The cost of construction and construction engineering work under this Agreement is to be covered by the federal funds set aside for this Project, up to the maximum available. The City acknowledges that the eventual actual costs may exceed the maximum available amount of federal funds, or that certain costs may not be accepted by the federal government as eligible for federal funds. Therefore, the City agrees to pay the difference between actual costs of the Project and the federal funds received.

4 Should the federal funding related to this Project be terminated or reduced by the federal government, or Congress rescinds, fails to renew, or otherwise reduces apportionments or obligation authority, the State shall in no way be obligated for funding or liable for any past, current or future expenses under this Agreement.

5 The cost of the Project under this Agreement includes indirect costs approved by FHWA, as applicable.

6 The Parties warrant compliance with the Federal Funding Accountability and Transparency Act of 2006 and associated 2008 Amendments (the "Act"). Additionally, in a timely manner, the City will provide information that is requested by the State to enable the State to comply with the requirements of the Act, as may be applicable.

7 The City acknowledges compliance with federal laws and regulations and may be subject to the Office of Management and Budget (OMB), Single Audit, Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations). Entities that expend \$500,000.00 or more (prior to 12/26/14) and \$750,000.00 or more (on or after 12/26/14) of federal assistance (federal funds, federal grants, or federal awards) are required to comply by having an independent audit. Either an electronic or hardcopy of the Single Audit is to be sent to Arizona Department of Transportation Financial Management Services within the required deadline of nine (9) months of the sub recipient fiscal year end.
