Dear Ms Fischer and Mr Bailey

The Arizona Coyotes are pleased to inform you that a new investor, Andrew Barroway, will be joining our ownership group over the next few weeks pending NHL Board of Governor's approval. Mr Barroway's decision to join our group speaks highly of the progress that the current ownership and management have made with the Club and the Arena during the last year. He shares all of our belief in the strong future of the Coyotes.

With respect to the Professional Management Service Agreement, this transaction does not affect the current rights and obligations of either the Arena Manager or the Team Owner and is not, therefore, an assignment of these entities under the provisions of that Agreement. Collaterally, IceArizona Manager Co LP and IceArizona Hockey Co LP will in short order be converted from Delaware limited partnerships to Delaware limited liability companies, becoming IceArizona Manager Co LLC and IceArizona Hockey Co LLC, respectively. This conversion, like the transaction outlined above, does not affect the rights or obligations of the Team Owner or the Arena Manager. As a result, there is also no requirement under the Agreement to provide notice to or secure the consent of the City for these transactions. Nevertheless, we would also like to provide you information in advance of this conversion.

As always, if you have any questions, please feel free to call me or Craig Tindall at your convenience.

For the Club,

/s/
