LINKING AGREEMENT
BETWEEN
THE CITY OF GLENDALE, ARIZONA
AND
AMERICAN FILTER AND EQUIPMENT CORPORATION

THIS LINKING AGREEMENT (this "Agreement") is made to be effective the 16th day of December, 2014, between the City of Glendale, an Arizona municipal corporation (the "City"), and American Filter and Equipment Corporation, an Arizona corporation ("Contractor"), collectively, the "Parties."

RECITALS

A. On **July 1, 2014,** under the **S.A.V.E Cooperative Purchasing Group Intergovernmental Agreement,** the City entered into a contract with Contractor to purchase the goods and services described in the **Automotive and Equipment Parts Contract No. P-10192-19**, which is attached as **Exhibit A**. The **Automotive and Equipment Parts Contract** permits its cooperative use by other governmental agencies of which the City is a participating member. The **S.A.V.E Cooperative Purchasing Group Intergovernmental Agreement**, is hereinafter referred at as the Cooperative Purchasing Agreement.

B. Section 2-149 of the City's Procurement Code permits the Materials Manager to procure goods and services by participating with other governmental units in cooperative purchasing agreements when the best interests of the City would be served.

C. Section 2-149 also provides that Materials Manager may enter into such cooperative agreements without meeting the formal or informal solicitation and bid requirements of City Code Sections 2-145 and 2-146.

D. The City desires to contract with Contractor for supplies or services identical, or nearly identical, to the supplies, goods or services Contractor is providing the City of Phoenix under the Cooperative Purchasing Agreement. Contractor consents to the City's utilization of the Cooperative Purchasing Agreement as the basis of this Agreement, and Contractor desires to enter into this Agreement to provide the goods and services set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated by reference, and the covenants and promises contained in this Agreement, the parties agree as follows:

1. Term of Agreement. The City is purchasing the supplies and/or services from Contractor pursuant to Cooperative Purchasing Agreement. According to the Cooperative Purchasing Agreement award and rate sheet, which are attached hereto as part of **Exhibit A**, purchases can be made by governmental entities from the date of award which was **July 1, 2014**, until the date the contract expires on **June 31, 2015**, unless the term of the Cooperative Purchasing Agreement is extended by the mutual agreement of the original contracting parties. This Linking Agreement expires on **December 15, 2015.**

2. Scope of Work; Terms, Conditions, and Specifications.

   a) Contractor shall provide City the supplies, goods and/or services identified in the Scope of Work attached hereto as **Exhibit B**.

   b) Contractor agrees to comply with all the terms, conditions and specifications of the Cooperative Purchasing Agreement for the purposes of this Agreement, and the terms, conditions, and specifications are incorporated in this Linking Agreement by this reference. The "City of Glendale" shall be substituted for "End User" or similar references throughout the Cooperative Purchasing Agreement.

3. Compensation.

   a) City shall pay Contractor compensation at the same rate and on the same schedule as the End User under the Cooperative Purchasing Agreement.

   b) The total purchase price for the supplies and/or services purchased under this Agreement shall not exceed twenty thousand dollars ($20,000) for the entire term of this Agreement. In addition, the City may from time to time elect to purchase additional goods and services from Contractor pursuant to the Contract, and the City will comply with all applicable laws regarding procurement and approval of such purchases.

4. Cancellation. This Agreement may be cancelled pursuant to ARIZ. REV. STAT. § 38-511.

5. E-Verify. Contractor complies with ARIZ. REV. STAT. § 23-214 and agrees to comply with the requirements of ARIZ. REV. STAT § 41-4401.

6. Notices. Any notices that must be provided under this Agreement shall be sent to the Parties' respective authorized representatives at the address listed below:

1. SCOPE

The City of Phoenix, Public Works Department, Fleet Services Division (City) is responsible for the acquisition, management and maintenance of a citywide fleet of over 7,500 different vehicles and support equipment. To ensure the continued operations of this fleet, the City has 18 maintenance facilities. Annually, the City spends approximately $12 million for parts and supplies with a standing inventory of from all facilities totaling around $2.75 million. The City intends to use the Contract(s) as necessary to provide for a large portion of these purchases; roughly $6 million in expenditures based on historical data.

The Contractor shall provide parts and accessories as required for the City's automotive and equipment fleet. These parts and accessories shall be supplied on an "as needed" / "if needed" basis for a period of one (1) year beginning after City Council approval, according to the requirements contained herein. Contractors shall provide all parts and accessories offered by the manufacturers which they represent.

2. CONTRACTOR REQUIREMENTS

2.1 Inventory and Delivery Requirements

2.1.1 The Contractor shall establish and maintain sufficient local product inventory to support the City's fleet of vehicles and equipment. The Contractor shall guarantee that stock of products specified in this agreement is available locally and shall provide parts delivery and will call services, excluding weekends. If special handling and/or freight are required, the Contractor will assume all charges unless prior authorization from the City is provided. If such authorization is received, the City will reimburse the Contractor as a pass through cost on the invoice with documentation.

2.1.2 The Contractor must meet the following fill rates:

i The Contractor will make available or deliver 85% of all orders within 24 hours after receipt of order, excluding weekends. Orders placed on Friday must be delivered by the following Monday to meet this fill rate requirement.

ii The Contractor will make available or deliver 100% of all orders within one week after the receipt of order.

iii For orders requiring more time than allowed, as outlined above, the Contractor will notify the City authorized representative by email. This notification must include the reason for the delay, backorder information and estimated date/time of delivery. The Contractor will provide status updates on the order until delivered.

2.1.3 In the event that an item cannot be supplied immediately from Contractor's stock, the City reserves the right to purchase the item from other sources when the City determines that it is an emergency purchase need.

2.1.4 Contractor must off-load all deliveries and pick up parts cores weekly at no additional cost to City.

2.1.5 The Contractor may make multiple daily deliveries to multiple locations Monday through Friday, as required, to fulfill orders. Delivery schedules to be determined by ordering location.

2.1.6 Deliveries will be made to various City locations. A list of current locations is found in Section VI, Attachments, **Exhibit A**. However, the City may add or remove locations as necessary.

2.2 All correspondence including invoices, credit memos, and statements are to be mailed to 2441 S. 22nd Avenue, Phoenix, Arizona 85009, Attention: Auto Stores unless otherwise requested by specific accounts.

2.3 **Warranty Requirements**

2.3.1 Contractor will guarantee all products supplied under this contract for a minimum period of twelve (12) months against defects in material and workmanship.

2.3.2 Freight charges, restocking fees from manufacturer, process and handling to include parts and labor will be borne by the Contractor.

2.3.3 Contractor shall issue a credit memo to the City of Phoenix Auto Stores for failed products. Replacement parts will not be accepted under this contract.

2.3.4 All merchandise involved in warranty claims will be picked up from City locations by the Contractor on a weekly basis. Warranty claims must be processed within three (3) weeks of pick up. All Contractor disputed warranty claims will be brought to the attention of the Fleet Services Division's Warranty Department within that same three (3) week period in writing. If the claim is not disputed in the allotted time period the claim shall be deemed approved and payable to the City.

3. CONTRACTOR QUALIFICATIONS

3.1 Contractor shall utilize properly qualified employees in the performance of this contract. A qualified employee is defined as one who is trained and capable of properly, safely, and promptly providing services requested in association with this contract. Unqualified employees are not permitted to provide assistance of any kind under this contract.

3.2 Contractor will not subcontract, use third party companies, or use any other parties to perform these services without written authorization from the City. Should authorization for such be granted, use of any subcontractors or other parties shall not relieve, release or affect in any manner the Contractor's duties, liabilities or obligations under this contract.

3.3 If the City determines, for any reason, that the qualifications, actions or conduct of any particular Contractor employee has violated this agreement or is otherwise detrimental to the City, a written notice will be issued to the Contractor. Upon receipt of such notice the Contractor shall promptly provide a qualified replacement person(s) to provide services under this contract. Examples of such conduct include: performing unsatisfactory services; poor customer service; interfering with operation of City fleet; or inappropriate behavior towards occupants, other contractors or subcontractors.

4. CONTRACTOR SERVICES

4.1 Upon request, the Contractor shall provide an accurate and complete report detailing all orders placed under this contract. This report shall include:

4.1.1 The date the order was placed.

4.1.2 Description of the part and accessory (Manufacturer's Part Number, Catalog Date, List Price, Discount Price).

4.1.3 Carrier shipping information.

4.1.4 The date the order is complete.

4.1.5 City reference order number.

4.2 Services provided under this contract shall be performed in conformance with all provisions of this agreement; legal statutes; code requirements; applicable OEM specifications; and Fleet Services Policies.

4.3 The City reserves the right to exchange or receive vendor credit, on an equal dollar basis, all unused parts, in their original packaging, and of the same manufacturer and brand stocked by the contract vendor. The Contractor will credit returned parts at the current City cost (at time of exchange) less a maximum 10% restocking charge. Parts to be exchanged will be those parts, which have become obsolete to the City. The City will be the sole judge of obsolescence.

4.3.1 The City will not supply invoices for returns on stock clean ups. Stock clean ups are done on as needed basis, but no more frequently than once or twice a year.

4.3.2 The Contractor will issue credit to the City for use against future purchases for returned parts.

5. SPECIFIC PARTS DESCRIPTIONS AND ESTIMATED ANNUAL EXPENDITURES

Unless otherwise indicated, no substitutions or alternate product lines are permitted for parts offered under this contract. For those products where an equivalent is acceptable, the Contractor must supply technical specifications/product literature proving the equivalency of the offered brand to the listed manufacturer. The dollar values listed below are only estimated annual expenditures, actual expenditures may vary depending on need.
