USED APPARATUS SALES

C-9634

### LISTING AND MARKETING COMMISSION AGREEMENT

The undersigned being duly authorized, hereby enter into the following contractual agreement: Firetec Used Apparatus Sales agrees to market the following apparatus:

Apparatus (year/make/model): 1997 E-One Heavy Rescue Custom VIN #4ENRAAA84V1006593

Owned by: City of Glendale, AZ

Firetec® will refer to Owner all qualified inquiries Firetec® receives regarding the specified apparatus. If Owner sells the marketed apparatus or any other apparatus to the customer referred by Firetec®, or anyone acting on behalf of the referred customer, the Owner will pay a commission of 10% of the sale price (or a minimum of \$500) to Firetec® within 10 days of the sale. While Firetec does not require an exclusive agreement, seller understands that Firetec blankets the market with information and photos of the apparatus it has been hired to sell. Occasionally buyers will contact sellers without mentioning Firetec's involvement. Firetec keeps meticulous records of its contacts on each apparatus and strives to notify sellers of all potential leads. However, it's the responsibility of the seller to confirm with Firetec the source of the lead prior to sale, as commission may be due.

Owner agrees to notify Firetec®, at the time of sale, as to the sale price and the name and address of the buyer.

This agreement shall be in effect for a period of one (1) year unless extended. Either party may terminate at any time by notifying the other party in writing. If any sale takes place subsequent to termination, to a party previously referred by Firetec®, the same commission will be paid as if the agreement were still in effect.
