

## EMERGENCY HOME REPAIR PROGRAM

In partnership with the City of Glendale, Habitat for Humanity Central Arizona's Emergency Home Repair Program provides urgent home repairs to low and moderate income families within the city of Glendale.

### WE ARE HERE TO HELP WHEN YOU MOST NEED IT

Thanks to federal Community Development Block Grant (CDBG) funds, the city of Glendale can provide emergency home repair assistance to qualified, low-income families who are Glendale residents. The city's Emergency Home Repair Program utilizes a non-profit partner, Habitat for Humanity Central Arizona to provide emergency repair services. Our knowledgeable construction staff will assess each emergency and work to address urgent issues such as heating and cooling, plumbing, electrical systems, structural issues, roofing problems and accessibility.

The program does not provide service for refrigerators, dishwashers, ranges, garbage disposals, electrical appliances, washers/dryers, or swimming pools

### WHO IS ELIGIBLE FOR ASSISTANCE?

To be eligible for assistance through the Emergency Home Repair Program, clients must meet the following criteria.

- ~ The property must be located within the Glendale city limits.
