## A Message from Vice Mayor Ian Hugh

As summer vacation comes to an end for students, the city of Glendale is reminding families of important safety messages as they get back into school routines. Here are some safety tips for everyone:

### For Students:

- Have a safe primary and secondary route to and from school.
- Have the appropriate bicycle or skateboard safety equipment; reflectors and lights (front and rear), helmets, knee and elbow pads.
- Pay attention to your surroundings; look both ways before crossing streets.
- If a stranger, on foot or in a vehicle, approaches you, don't stop or talk to them. Go as fast and safely as you can to a safe place and tell an adult.
- While at the bus stop be patient and well behaved while waiting for the bus, and remain on the sidewalk.
- Before entering or exiting the bus wait for the signal from the bus driver.

### For Drivers:

- Be vigilant and observant, especially in school zones, near bus stops and while backing out of driveways.
- Obey traffic lights and street signs (take extra time at intersections near schools to make sure they are clear).
- Avoid distractions like texting, phone conversations or loud music.
- Always be prepared to stop.
