# A Message from Councilmember Gary Sherwood

Since this is my first column in the Connection, I would like to introduce myself and share my vision for our great city. After

being elected in November 2012 to represent Glendale's Sahuaro District, I began my term on January 15, 2013. I am currently a member of Glendale's Sustainability Committee; and serve on the Board of Directors of the Valley Metro as well as the Regional Public Transportation Authority; and nationally I serve on the National League of Cities Transportation Infrastructure and Services Policy and Advocacy Committee and on the First-Tier Suburbs Subcommittee. I am also an active member of both the Glendale Historical Society and the Glendale Civic Pride Ambassadors.

Prior to being elected, I chaired several commissions, served on many task forces and was a graduate of Glendale University and the Citizens Police Academy. I have held leadership roles with the YMCA, Ironwood High School, and several sports organizations. My family and I have lived in the city for 34 years and I feel like I have a good grasp on the city and its needs.

## My Vision:

- Ensuring our core services - law enforcement and emergency and fire protection
- Marketing our access to transportation, technological and cultural amenities Valley-wide
- Supporting our historic downtown, and our sports and entertainment district
- Promoting our burgeoning restaurant scene and our array of unique retail corridors
- Encouraging a streamlined process for businesses wishing to locate here
- Providing optimal services to our citizens and visitors
- Celebrating our diverse housing, successful schools, and inviting neighborhoods
- Embracing those who want to move here, live here, and raise a family here

Finally, let me welcome our new city manager, Brenda Fischer. We look forward to great leadership from her and her team.
