Sahuaro District Spring Fling. You are invited to attend the Sahuaro District Spring Fling from 11 a.m. – 2 p.m. Saturday, Feb. 21. The family-friendly outdoor event will be held at the Paseo Park ball fields, 63rd Avenue and Thunderbird Road.

This is the fourth year that Sahuaro District Councilmember Steve Frate is hosting the event to help inform and educate residents on city and community programs available to them.

Representatives from city departments will be on hand to answer questions and provide residents with information on city services. Vehicles and equipment will be on display from the Public Works, Transportation, Police and Fire departments and the Southwest Ambulance "Kids Ambulance" will be there for kids of all ages to explore. The Glendale Fire department will also be demonstrating a new form of CPR called CCC (Continuous Chest Compressions).

Glendale resident Braxton Bilbrey, the youngest person ever to swim across the San Francisco Bay, from Alcatraz to San Francisco, will be back again this year. Braxton will be at the event to raise awareness about drowning prevention.

New to the Spring Fling this year will be Banner Thunderbird Medical Center highlighting their Women's Health Programs. Returning community partners, including the NHL Coyotes, Southwest Ambulance and the Glendale/Peoria YMCA, will also participate.

In addition to learning about programs and services, families with children will enjoy free activities, including inflatable jumpers, clowns, face painting and a gymnastics demonstration by Arizona Prestige Gymnastics.

A free hot dog lunch and refreshments will also be served. For more information, call (623) 930-2016.
