15. ADOPT A RESOLUTION AUTHORIZING A TEMPORARY PARKING AGREEMENT WITH THE NEW WESTGATE, LLC FOR THE USE OF WESTGATE FINAL PLAT, LOT 5; AND A LIMITED WAIVER OF THE CITY'S RESCISSION RIGHTS PERTAINING TO WESTGATE FINAL PLAT, LOT 4

PRESENTED BY: Brian Friedman, Executive Director, Community & Economic Development and Cathy Colbath, Interim Executive Director, Transportation Services

RESOLUTION: 4790

This is a request for City Council to waive reading beyond the title and adopt a resolution authorizing the City Manager to approve a Temporary Parking Agreement with The New Westgate, LLC (TNW) for the purpose of securing temporary parking on Westgate Final Plat, Lot 5 and addressing TNW's interest in the conveyance of Westgate Final Plat, Lot 4; and, authorizing the City Manager to execute all required contract payments not to exceed \$95,000.

Mr. Brian Friedman reviewed the purpose of the Temporary Parking Agreement. He noted the only change between this agreement and last year's agreement is a request by New Westgate LLC regarding Lot 4 of Westgate. The New Westgate LLC would have one year to notify the city they wished to acquire lot 4 and would have one additional year to complete the ownership process.

Councilmember Alvarez questioned Mr. Friedman regarding the reasons for the city to give this property to New Westgate LLC. Mr. Freidman referred to the terms of the original 2008 agreement.

Mayor Weiers commented that the city would be saving the \$72,000 annually for the cost of maintaining Lot 4.

Councilmember Alvarez said she'd heard that argument for other actions in the past. She continued that the city can't afford to be giving away property.

Councilmember Martinez said we aren't giving away anything, the only thing that we are doing is extending their right to acquire the property for an additional year.

Mr. Bailey said we are dealing with existing contractual obligations. This agreement would extend the time for Lot 4 to be acquired which means the city won't exercise its waiver for a year.

Councilmember Hugh asked how they got the land given to them.

Mr. Bailey said they have the right to acquire the land at no cost based on the 2008 agreement. He commented the land was originally given to the city at no cost. He explained the background of the transaction.

Councilmember Alvarez said so the Lot 4 was donated to the city and now the city is giving it away free.

Mr. Bailey said as a simple statement of the action that is correct.

It was moved by Sherwood, and seconded by Martinez, to pass, adopt and approve Resolution No. 4790 New Series. The Motion carried, with the following Councilmembers voting "aye": Chavira, Hugh, Knaack, Martinez, Sherwood, and Weiers. Members voting "nay": Alvarez.

REQUEST FOR FUTURE WORKSHOP AND EXECUTIVE SESSION

It was moved by Knaack and seconded by Hugh to hold the next regularly scheduled City Council Workshop on Tuesday, May 6, 2014 at 1:30 p.m. in Room B-3 of the City Council Chambers, to be followed by and Executive Session pursuant to A.R.S. §38-431.03.

CITIZEN COMMENTS

Mayor Weiers reviewed the City Council Guidelines for Citizen Comment.

David and Teri Polmateer asked to address the City Council together. Mayor Weiers said that they could but noted that the 3 minute time limit would still apply.

David Polmateer asked that the city introduce an amnesty program and explained that they had been cited by the city for the construction of a carport which did not meet code and had no permit. He said they were in the process of correcting this problem. He referenced a letter and photographs that they submitted to Council tonight. He reviewed the contents of the submittal

which showed numerous other houses throughout the city with similar code violations. He commented on the how they felt singled out since these other owners weren't cited for code violations.

Terri Polmateer noted that most people don't know they have to go through the city to build on their property; some people bought the houses after the structures were built, and some can't afford to bring the structures up to code.

Mayor Weiers said city staff would follow-up with the Mr. and Mrs. Polmateer.

Bill Demski noted that Councilmember Alvarez was not included in any of his objections. He listed former city elected officials and executive staff and stated his objections to their activities.

Mayor Weiers asked Mr. Demski to follow the guidelines regarding not making personal attacks on councilmembers, city staff or members of public.

Mr. Demski continued listing past city projects, agreements and actions which he considered objectionable.

Kenneth Sturgis complained about an upcoming music festival and noise level until 11:00 p.m. coming from the Phoenix University Stadium. He spoke about living 8/10 of a mile away and referred to the provisions of city ordinance Section 2566 which weren't being followed. He has spoken with staff about this situation. Mr. Sturgis spoke about a recent article in the Glendale Star. He quoted Mr. Duensing stating that the city had a standard of 10% fund balance; however, Mr. Duensing felt 20% or 25% was preferable. He reviewed the budget and he believed the contingency will be just over 1% for FY 15. Mr. Sturgis said the arena management agreement requires that no later than May 31 every year a proposed annual budget be submitted to the owner of the team and the city. It also requires that the proposed budget be posted on the city's financial web page. He added that he had requested a Camelback Ranch monthly report be posted on the web page and he hasn't seen one yet.

Randy Miller commented on a good speaker at the last Council meeting. He thanked the City Council for doing their best job for the citizens.

COUNCIL COMMENTS AND SUGGESTIONS

Councilmember Sherwood said today the state legislature denied a bill that would have assisted Glendale with public safety costs for the Super Bowl next year. He commented on the importance of public safety and the benefits the state receives from a Super Bowl. He expressed his disappointment with the legislators' decision and noted bottom line when these events come up in the future, he didn't think Council would have an appetite for them.

Councilmember Chavira agreed and also expressed his disappointment with the state legislature's decision.

Vice Mayor Knaack stated that the legislature had all the facts and still didn't pass the bill to assist with public safety costs. She explained how the amount had been reduced to \$2 million. She noted it was hard to imagine the host committee couldn't offer to give the \$2M to the city for public safety. She noted that Glendale lost money on the last Super Bowl. She hoped some of Glendale's citizens would make their legislators aware of their displeasure with this decision.

Vice Mayor Knaack invited participation in the Relay for Life this Saturday. She explained that cancer never sleeps and at this fund raiser, they walk all night.

Mayor Weiers explained the different changes that HB 2547 went through while being considered at the legislature. He said the city will make sure that the public is safe at the Super Bowl. However, Council will think long and hard before approving another major event. He noted this was never supposed to be a City of Glendale bill but a state bill because the benefit of the event is statewide. Mayor Weiers spoke about the event on Saturday called the Mayor's Big Dog Run Motorcycle Ride which raised funds for veterans' education.

ADJOURNMENT

There being no further business, the meeting was adjourned at 7:10 p.m.
