

North Glendale Park-and-Ride/ Transit Center Study Update

Tuesday, April 15, 2014

City of Glendale Council Workshop

Transit Facilities

Park-and-Ride

99th Avenue and Glendale Park-and-Ride
Glendale, Arizona

Transit Center

College Avenue and 5th Street
Tempe, Arizona

Status of Transit Facilities

- **Two existing facilities serve North Glendale**
 - Home Depot – 59th Avenue and Loop 101 (2 express routes)
 - Arrowhead Towne Center – 77th Avenue and Bell Road (3 local and 2 express routes)
- **Facilities are shared use**
- **Parking and passenger amenities are limited**
- **Vehicle circulation conflicts**
- **Lack of pedestrian access**
- **Ridership and parking needs continue to increase**

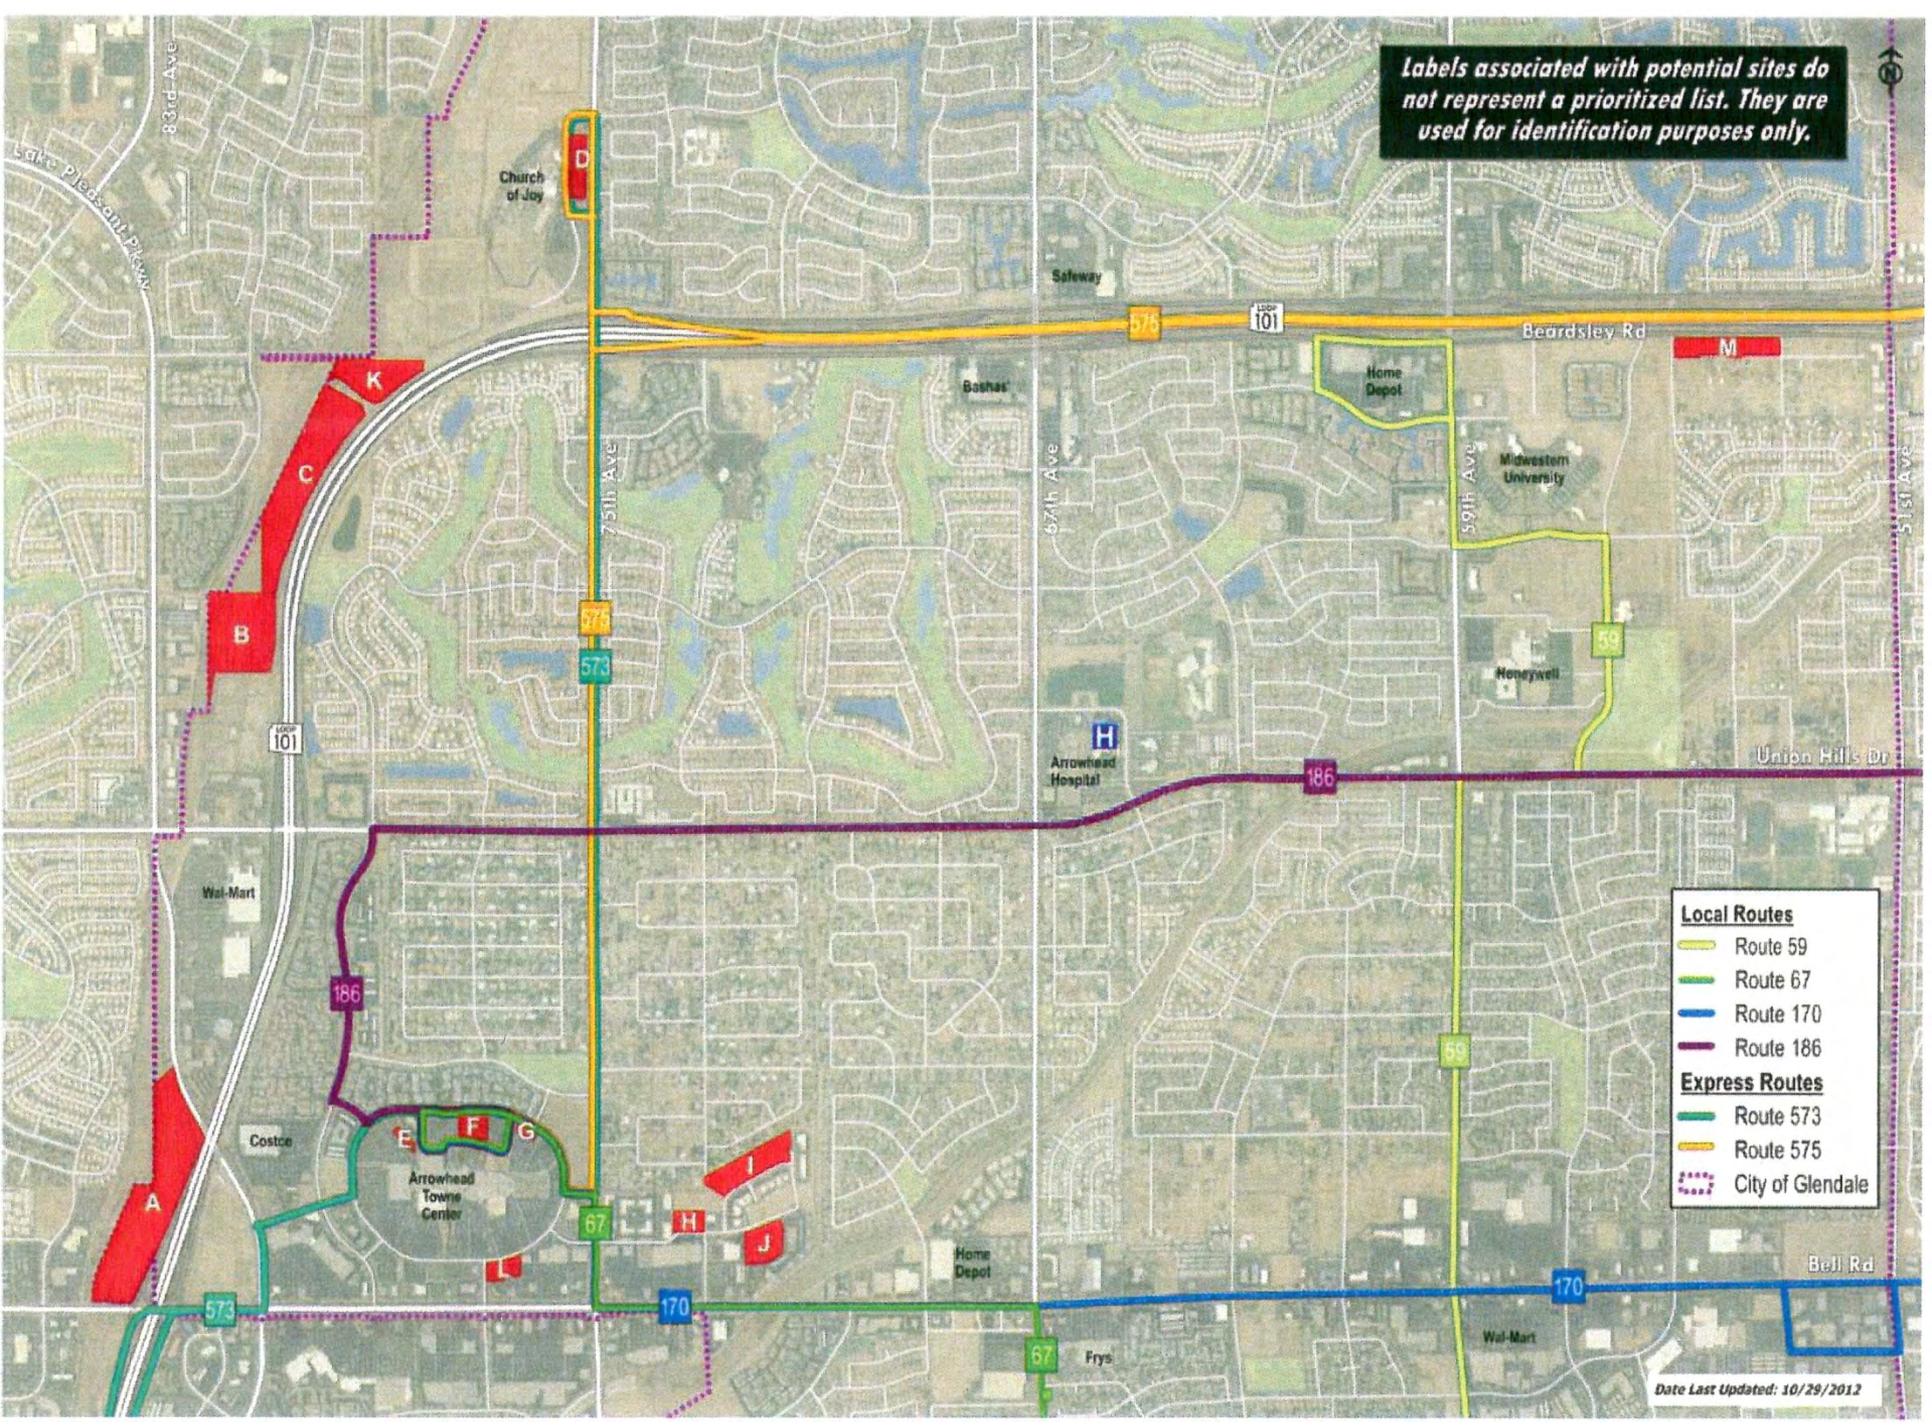

Project Development Process

- Follow the federal process
- Needs analysis
- Project future demand
- Site selection criteria
- Public involvement

Citizen Input

- **Public feedback from community meetings**
 - Pedestrian access and personal safety
 - Shade
 - Security for parked vehicles
 - Convenience to home and shopping
 - Adequate lighting and parking
 - Transit service information and amenities
 - Ticket vending machines
- **Additional comments**
 - Larger buses and greater transit frequency
 - Phoenix RAPID-style BRT buses
 - Real-time bus arrival information

Labels associated with potential sites do not represent a prioritized list. They are used for identification purposes only.

- Local Routes**
- Route 59
 - Route 67
 - Route 170
 - Route 186
- Express Routes**
- Route 573
 - Route 575
- City of Glendale
