1.0 INTRODUCTION

It is the intent of the City of Glendale to request bids to establish a term contract for short-term rental of generators. The estimated use has been established around predetermined events. However, various departments may have a need for generator rentals throughout the year including but not limited to emergencies, city maintenance and temporary power.

The contractor shall check the YES or NO boxes for each specification on each page of section 1. If the contractor checks the NO box for any specification, the contractor must provide an explanation and alternate information as an attachment to section 3. Failure to comply with the following specifications may result in the rejection of proposal.

Item No.	SPECIFICATIONS	Comply
1.1	It is the intent of the City of Glendale to request proposals to establish a term contract for short-term rental of generators, at City-sponsored special events, and various other public events and meetings on an "as required" basis throughout the year.
